Bullet Seater with crimp (Seat)

Our standard bullet seater guides the bullet in an exact guide bushing. This ensures good accuracy.

The Bullet Seater is the solid choice for quickly seating the bullet.

As standard, the Bullet Seater offers the option to crimp the mouth of the cartridge case. This means that you can work with or without a crimp.

The seater-head can be easily replaced to another type. We offer various types of seater-heads.

Choosing the correct seater head for the bullet used often improves concentricity significantly.

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

Safety Instructions for Seater with Crimp 1 1/4

Introduction

Thank you for choosing the Seater with Crimp 1 1/4. This product is designed to assist in the precise seating of bullets for reloading cartridges. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- **Product Safety:** Always ensure that your work area is clean and free from distractions. Use the product only as intended to avoid accidents.
- **Enhanced Recalls:** Stay informed about any recalls related to this product. If you receive a recall notice, follow the instructions provided.
- **Online Shopping:** If purchased online, ensure that the retailer complies with EU safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For safety inquiries, refer to the contact details provided by the retailer.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on product safety.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Ensure that the bullet seater is compatible with the specific type of bullets you are using.
 - Be aware of the risks associated with improper handling of reloading equipment.
- **Avoiding Hazards:**
 - Always wear safety glasses and gloves when operating the bullet seater.
 - Do not exceed the recommended load specifications for your cartridges.
 - Ensure that the area is wellventilated to avoid inhalation of any harmful substances.
- **AgeSpecific Warnings:**
 - This product is intended for adult use only. It should not be used by individuals under the age of 18.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure that your work surface is stable and clean.
 2. Secure the bullet seater in your reloading press according to the manufacturer's instructions.
 3. Select the appropriate seaterhead for the bullet you are using.
 4. Tighten all screws and fittings to ensure stability during use.
- **Usage:**
 1. Place the cartridge case in the reloading press.
 2. Insert the bullet into the mouth of the cartridge case.
 3. Adjust the seaterhead to the desired depth for bullet seating.
 4. Operate the reloading press to seat the bullet firmly into the cartridge case.
 5. If crimping is desired, follow the instructions provided to adjust the crimp setting.

6. Inspect each cartridge for proper seating and crimping before use.

Disposal Instructions

- Dispose of any packaging materials according to local regulations.
- If the product is no longer in use, consider recycling it if possible. Follow local disposal guidelines for metal and plastic materials.

Contact Information for Further Support

For any questions or concerns regarding the Seater with Crimp 1 1/4, please refer to the contact information provided by your retailer or manufacturer. They will assist you with any inquiries related to safety and product use.

By following these safety instructions, you can ensure a safe and effective experience while using the Seater with Crimp 1 1/4. Always prioritize safety and stay informed about best practices for reloading and equipment use.
