

Seater with Crimp 1 1/4 - Seater with Crimp 338 Rem Ultra Mag

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Bullet Seater with crimp (Seat)

Our standard bullet seaters guide the bullet in an exact guide bushing. This ensures good accuracy.

The Bullet Seater is the solid choice for quickly seating the bullet.

As standard, the Bullet Seater offers the option to crimp the mouth of the cartridge case. This means that you can work with or without a crimp.

The seater-head can be easily replaced to another type. We offer various types of seater-heads.

Choosing the correct seater head for the bullet used often improves concentricity significantly.

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

Safety Instruction Guide for Seater with Crimp 1 1/4 Seater with Crimp 338 Rem Ultra Mag

Introduction

Thank you for choosing the Seater with Crimp 1 1/4 Seater with Crimp 338 Rem Ultra Mag. This product is designed to provide precise bullet seating for your reloading needs. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- Do not attempt to modify or repair the product unless authorized by the manufacturer.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate eye protection when using this product to prevent injury from debris.
- Use the product in a wellventilated area to avoid inhalation of any harmful particles.
- Ensure that the bullet is seated correctly before proceeding with further reloading steps.
- Avoid overtightening the seaterhead, which may cause damage to the product or lead to unsafe conditions.
- Do not use the product for any purpose other than its intended use as specified in the manual.

Instructions for Installation and Usage

1. Installation of the Seater Head

- Ensure that the reloading press is turned off and unplugged before installation.
- Remove the existing seater head by loosening the locking mechanism.
- Align the new seater head with the guide bushing and secure it in place by tightening the locking mechanism.

2. Using the Bullet Seater

- Place the cartridge case in the reloading press.
- Insert the bullet into the mouth of the cartridge case.
- Operate the reloading press to seat the bullet. Ensure that the bullet is seated to the correct depth.
- If crimping is required, adjust the crimping mechanism according to the specifications provided in the manual.

3. PostUse Procedures

- After use, clean the product to remove any residue or debris.
- Store the product in a dry, safe place away from children and pets.

Disposal Instructions

- Dispose of the product in accordance with local regulations for hazardous materials.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of this product, please refer to the contact information provided in the product manual.

By adhering to these safety guidelines, you can ensure a safe and effective experience with your Seater with Crimp 1 1/4 Seater with Crimp 338 Rem Ultra Mag. Thank you for your attention to these important safety instructions.
