Bullet Seater with crimp (Seat)

Our standard bullet seaters guide the bullet in an exact guide bushing. This ensures good accuracy.

The Bullet Seater is the solid choice for quickly seating the bullet.

As standard, the Bullet Seater offers the option to crimp the mouth of the cartridge case. This means that you can work with or without a crimp.

NO IMAGE  
AVAILABLE

The seater-head can be easily replaced to another type. We offer various types of seater-heads.

Choosing the correct seater head for the bullet used often improves concentricity significantly.

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

## Attributes

# Safety Instruction Guide for Seater with Crimp 1 1/4 Seater with Crimp 350 Mag Rigby

## Introduction

Thank you for choosing the Seater with Crimp 1 1/4 Seater with Crimp 350 Mag Rigby. This guide provides important safety information and instructions to ensure the safe and effective use of this product. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that the Seater is used only for its intended purpose.
- Always wear appropriate safety gear, including safety glasses and gloves, when handling the Seater and ammunition.
- Keep the Seater out of reach of children and unauthorized users.
- Regularly inspect the Seater for any signs of wear or damage before use.
- Store the Seater in a dry, cool place away from direct sunlight and moisture.
- Report any unsafe conditions or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Potential hazards include improper handling, incorrect installation, and misuse of the Seater.
- **Avoiding Hazards:**
  - Always follow the manufacturer's instructions for use and installation.
  - Ensure that the bullet is properly guided in the bushing to prevent misfires.
  - Do not attempt to modify the Seater or use it with incompatible components.
- **Age Restrictions:**
  - This product is intended for use by adults. Ensure that minors are supervised if they are present during its use.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the workspace is clean and organized.
- Attach the Seater to the reloading press according to the manufacturer's instructions.
- Check that the seaterhead is securely fastened and compatible with the bullet being used.

### 2. Usage:

- Place the cartridge case into the appropriate position on the reloading press.
- Insert the bullet into the cartridge case, ensuring it is aligned with the guide bushing.
- Operate the reloading press to seat the bullet firmly in the cartridge case.
- If crimping is desired, adjust the Seater to apply the crimp at the mouth of the cartridge case.

### 3. PostUsage:

- After use, clean the Seater to remove any residue or debris.
- Store the Seater in a safe location, ensuring it is not exposed to moisture.

## Disposal Instructions

- Dispose of the Seater in accordance with local regulations.
- If the Seater is damaged beyond repair, consider recycling the materials if possible.
- Do not dispose of the Seater in regular household waste.

## Contact Information for Further Support

For any inquiries related to safety or product support, please contact the manufacturer or your local distributor. Ensure that you have the product details ready for assistance.

Thank you for prioritizing safety while using the Seater with Crimp 1 1/4 Seater with Crimp 350 Mag Rigby. By following this guide, you help ensure a safe and efficient experience.
