

# Seater with Crimp 1 1/4 - Seater with Crimp 9,3x64 Br

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Bullet Seater with crimp (Seat)

Our standard bullet seater guides the bullet in an exact guide bushing. This ensures good accuracy.

The Bullet Seater is the solid choice for quickly seating the bullet.

As standard, the Bullet Seater offers the option to crimp the mouth of the cartridge case. This means that you can work with or without a crimp.

The seater-head can be easily replaced to another type. We offer various types of seater-heads.

Choosing the correct seater head for the bullet used often improves concentricity significantly.

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

# Safety Instruction Guide for Seater with Crimp 1 1/4

## Introduction

Thank you for choosing the Seater with Crimp 1 1/4. This product is designed for precision bullet seating in rifle cartridges, ensuring accuracy and reliability. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always handle the Seater with Crimp 1 1/4 with care and follow these safety guidelines.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the Seater for any signs of wear or damage before use.
- Report any unsafe conditions or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - The Seater with Crimp may pose risks if not used correctly, including:
  - Injury from improper handling.
  - Damage to cartridges if the crimp is not applied correctly.
- **Avoiding Hazards:**
  - Always ensure that the bullet is seated properly before applying a crimp.
  - Do not exceed the recommended crimping force to prevent damage to the cartridge.
  - Use appropriate personal protective equipment (PPE), such as safety glasses, during operation.
- **Age Specific Warnings:**
  - This product is not intended for use by individuals under the age of 18. Ensure adult supervision if younger individuals are present.

## Instructions for Installation and Usage

- **Installation:**
  1. Ensure that your workspace is clean and free from distractions.
  2. Attach the Seater with Crimp 1 1/4 to your reloading press according to the manufacturer's instructions.
  3. Select the appropriate seaterhead for your bullet type and secure it in place.
- **Usage:**
  1. Place the cartridge case into the reloading press.
  2. Insert the bullet into the cartridge case.
  3. Adjust the seating depth according to your specifications.
  4. If crimping is desired, adjust the crimping mechanism to the desired level.
  5. Slowly and steadily operate the reloading press to seat the bullet and apply the crimp if necessary.
  6. Inspect the completed cartridge for proper seating and crimping.

## Disposal Instructions

- Dispose of any defective or damaged components according to local regulations.
- Do not dispose of the Seater with Crimp in regular household waste. Instead, check for local recycling

programs or hazardous waste disposal facilities.

## **Contact Information for Further Support**

For any inquiries or assistance regarding the Seater with Crimp 1 1/4, please refer to the manufacturer's contact information provided in the product manual.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with the Seater with Crimp 1 1/4. Always prioritize safety and proper handling to enjoy the benefits of this product. Thank you for your attention to these guidelines.
