

# Bench-Rest-Seater 1 1/4 - Bench-Rest-Seater 6,5 PRC

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The BR-Seater is your reliable partner for highest precision in seating match bullets, or whenever in questions of “bullet runout”, there is no room for compromise.

Thanks to the guide sleeve which is modelled like the cartridge chamber, the cartridge case will receive perfect axial guidance during the seating operation.

Also, the bullet will be guided in the same process.

This ensures perfect concentricity. Of course, the seater-head is replaceable. Various types of seater-heads are offered.

Choosing the correct seater head for the bullet used often improves concentricity significantly. You will find further instructions and assistance in selecting accessories and spare parts in the manual.

# BenchRestSeater 1 1/4 & 6.5 PRC Safety Instruction Guide

## Introduction

Thank you for choosing the BenchRestSeater 1 1/4 & 6.5 PRC. This product is designed for precision seating of match bullets, ensuring optimal performance and safety during use. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure you are familiar with the product before use.
- Always use the product in a wellventilated area.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- Report any unsafe conditions or incidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as safety glasses and gloves, when using the product.
- Do not exceed the recommended specifications for the product.
- Ensure that the seaterhead is properly attached before use.
- Handle all components with care to avoid injury or damage.
- Avoid using the product in wet or damp conditions.
- Do not force the seating operation; if resistance is felt, stop and check for obstructions.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that all parts are clean and free from debris.
- Select the appropriate seaterhead for the bullet you are using.

### 2. Installation

- Attach the selected seaterhead to the main body of the BenchRestSeater securely.
- Ensure that the guide sleeve is aligned properly with the cartridge chamber.

### 3. Seating Bullets

- Insert the cartridge case into the guide sleeve.
- Carefully position the bullet into the seaterhead.
- Apply steady pressure to the handle to seat the bullet.
- Check for concentricity after seating to ensure optimal performance.

### 4. PostUse Care

- Clean the product after each use to maintain its performance.
- Store the product in a dry, safe place away from direct sunlight.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of in household waste.
- Consider recycling options for any metal components.

## **Contact Information for Further Support**

For any inquiries or assistance regarding the BenchRestSeater, please refer to the manufacturer's contact information provided in the product manual or packaging.

By following these guidelines, you can ensure safe and effective use of your BenchRestSeater 1 1/4 & 6.5 PRC. Thank you for prioritizing safety and compliance with EU regulations.
