

# Bench-Rest-Seater 1 1/4 - Bench-Rest-Seater 7x64

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The BR-Seater is your reliable partner for highest precision in seating match bullets, or whenever in questions of “bullet runout”, there is no room for compromise.

Thanks to the guide sleeve which is modelled like the cartridge chamber, the cartridge case will receive perfect axial guidance during the seating operation.

Also, the bullet will be guided in the same process.

This ensures perfect concentricity. Of course, the seater-head is replaceable. Various types of seater-heads are offered.

Choosing the correct seater head for the bullet used often improves concentricity significantly. You will find further instructions and assistance in selecting accessories and spare parts in the manual.

# BenchRestSeater Safety Instruction Guide

## Introduction

Thank you for choosing the BenchRestSeater 1 1/4 and BenchRestSeater 7x64. This product is designed for precision in seating match bullets and ensuring optimal bullet runout. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always ensure the product is used in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the BenchRestSeater only for its intended purpose of seating match bullets.
- Ensure that the seaterhead is properly attached before use to prevent accidents.
- Do not modify or alter the product in any way.
- Wear appropriate safety gear, such as safety glasses, when handling bullets and loading cartridges.
- Handle all ammunition and components with care, following standard safety protocols for firearms.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the BenchRestSeater is securely mounted on a stable surface.
- Attach the appropriate seaterhead for the bullet you are using, ensuring it is tightly secured.

### 2. Usage:

- Place the cartridge case into the seater.
- Align the bullet with the cartridge case and gently lower the seaterhead onto the bullet.
- Apply even pressure to seat the bullet into the cartridge case.
- Check for proper seating and concentricity before proceeding.

### 3. Maintenance:

- Clean the BenchRestSeater regularly to ensure optimal performance.
- Replace the seaterhead as needed to maintain precision.

## Disposal Instructions

- Dispose of the BenchRestSeater and any components according to local regulations.
- Ensure that all materials are disposed of safely and responsibly to minimize environmental impact.

## Contact Information for Further Support

For any questions or concerns regarding the BenchRestSeater, please refer to the manual or contact the manufacturer for assistance.
