

# Bench-Rest-Seater 1 1/4 - Bench-Rest-Seater 284 Win

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The BR-Seater is your reliable partner for highest precision in seating match bullets, or whenever in questions of “bullet runout”, there is no room for compromise.

Thanks to the guide sleeve which is modelled like the cartridge chamber, the cartridge case will receive perfect axial guidance during the seating operation.

Also, the bullet will be guided in the same process.

This ensures perfect concentricity. Of course, the seater-head is replaceable. Various types of seater-heads are offered.

Choosing the correct seater head for the bullet used often improves concentricity significantly. You will find further instructions and assistance in selecting accessories and spare parts in the manual.

# BenchRestSeater 1 1/4 Safety Instruction Guide

## Introduction

Thank you for choosing the BenchRestSeater 1 1/4 for your precision seating needs. This product is designed to provide you with the highest level of accuracy when seating match bullets. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Always inspect the product before use for any signs of damage or wear.
- Follow all instructions provided in this guide to avoid hazards.
- Report any unsafe conditions or incidents related to this product to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as safety glasses, when using the BenchRestSeater.
- Ensure that the work area is clean and free from distractions.
- Use the product only in a wellventilated area.
- Do not exceed the recommended specifications for the product.
- Avoid using the product if you are fatigued or under the influence of substances that may impair your judgment.

## Instructions for Installation and Usage

### 1. Installation:

- Place the BenchRestSeater on a stable, flat surface.
- Ensure that the guide sleeve is securely attached before use.
- Select the appropriate seaterhead based on the bullet type you are using.

### 2. Usage:

- Ensure that the cartridge case is clean and free of debris before placing it in the seater.
- Insert the cartridge case into the guide sleeve, ensuring proper alignment.
- Carefully seat the bullet into the cartridge case using the seaterhead.
- Monitor the seating process to ensure perfect axial guidance and concentricity.
- After use, clean the product to maintain its performance and longevity.

## Disposal Instructions

- Dispose of the BenchRestSeater and any associated materials in accordance with local regulations.
- Do not dispose of the product in general waste; consult your local waste management authority for proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the BenchRestSeater, please refer to the product manual or your local retailer for assistance.

Thank you for prioritizing safety while using the BenchRestSeater 1 1/4. Your adherence to these guidelines helps ensure a safe and effective experience.
