

Bench-Rest-Seater 1 1/4 - Bench-Rest-Seater 338 Federal

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The BR-Seater is your reliable partner for highest precision in seating match bullets, or whenever in questions of “bullet runout”, there is no room for compromise.

Thanks to the guide sleeve which is modelled like the cartridge chamber, the cartridge case will receive perfect axial guidance during the seating operation.

Also, the bullet will be guided in the same process.

This ensures perfect concentricity. Of course, the seater-head is replaceable. Various types of seater-heads are offered.

Choosing the correct seater head for the bullet used often improves concentricity significantly. You will find further instructions and assistance in selecting accessories and spare parts in the manual.

BenchRestSeater 1 1/4 BenchRestSeater 338 Federal Safety Instructions

Introduction

Thank you for choosing the BenchRestSeater 1 1/4 BenchRestSeater 338 Federal. This product is designed to help you achieve the highest precision in seating match bullets while ensuring safety in its use. Please read this safety instruction guide carefully before using the product to ensure safe operation and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Follow all instructions provided in this manual to avoid hazards.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as safety glasses, when using the BenchRestSeater.
- Ensure that your workspace is clean and free from clutter to prevent accidents.
- Use the product in a wellventilated area to avoid inhaling any fumes or dust.
- Do not exceed the recommended specifications when using the product.
- Avoid using the product if you are tired or under the influence of substances that may impair your judgment.

Instructions for Installation and Usage

1. Installation

- Ensure that the work surface is stable and secure.
- Attach the BenchRestSeater to the work surface according to the manufacturer's instructions.
- Ensure that the guide sleeve is properly aligned with the cartridge chamber before use.

2. Usage

- Before beginning the seating operation, ensure that the cartridge case is clean and free from debris.
- Insert the cartridge case into the guide sleeve, ensuring it is seated properly.
- Place the bullet into the cartridge case.
- Gently press down on the seaterhead to seat the bullet into the cartridge case.
- Check the bullet for concentricity and adjust the seaterhead if necessary.
- After use, clean the product to maintain its performance and longevity.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options for metal and plastic components if available.

Contact Information for Further Support

For any further assistance or inquiries regarding safety or product usage, please refer to the contact information provided in the product manual.

Thank you for following these safety instructions. Your safety and satisfaction are our top priorities.
