

# Bench-Rest-Seater 1 1/4 - Bench-Rest-Seater 338 Win Mag

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The BR-Seater is your reliable partner for highest precision in seating match bullets, or whenever in questions of "bullet runout", there is no room for compromise.

Thanks to the guide sleeve which is modelled like the cartridge chamber, the cartridge case will receive perfect axial guidance during the seating operation.

Also, the bullet will be guided in the same process.

This ensures perfect concentricity. Of course, the seater-head is replaceable. Various types of seater-heads are offered.

Choosing the correct seater head for the bullet used often improves concentricity significantly. You will find further instructions and assistance in selecting accessories and spare parts in the manual.

# BenchRestSeater 1 1/4 BenchRestSeater 338 Win Mag Safety Instructions

## Introduction

Thank you for choosing the BenchRestSeater 1 1/4 BenchRestSeater 338 Win Mag. This product is designed to provide you with the highest precision in seating match bullets. To ensure your safety and the optimal performance of the product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always use the BenchRestSeater in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Ensure that the workspace is clean and free from distractions before using the seater.
- Inspect the BenchRestSeater for any damage before each use. Do not use if damaged.
- Use protective eyewear when operating the seater to prevent injury from debris.
- Store the seater in a dry and safe place when not in use.

## Specific Safety Precautions for Use

- Only use the BenchRestSeater with compatible cartridges as specified in the manual.
- Ensure that the seaterhead is securely attached before use to prevent accidents.
- Avoid excessive force when seating bullets; doing so can cause damage to the product and may lead to unsafe conditions.
- Do not attempt to modify or alter the BenchRestSeater in any way.
- If you experience any unusual resistance during operation, stop immediately and inspect the product.
- Always follow local laws and regulations regarding the handling and use of ammunition.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary materials, including the BenchRestSeater, cartridges, and bullets.
- Ensure your workspace is clean and organized.

### 2. Installing the SeaterHead

- Select the appropriate seaterhead for your bullet type.
- Align the seaterhead with the BenchRestSeater and securely attach it by following the instructions provided in the manual.

### 3. Seating Bullets

- Place the cartridge case into the seater, ensuring it is properly aligned.
- Insert the bullet into the cartridge case.
- Gently lower the seaterhead onto the bullet and apply steady pressure until the bullet is seated to the desired depth.
- Check for proper alignment and concentricity after seating.

### 4. PostUsage Care

- Clean the BenchRestSeater after each use to maintain its functionality.
- Store the product in a safe, dry location away from children and unauthorized users.

## **Disposal Instructions**

- Dispose of the BenchRestSeater and any associated parts in accordance with local regulations.
- Do not dispose of the product in household waste. Check for designated recycling or disposal programs in your area.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the BenchRestSeater, please refer to the product manual or visit the manufacturer's website. Ensure you have the product details ready for a more efficient response.

Thank you for prioritizing safety while using the BenchRestSeater. Your careful attention to these guidelines will help ensure a safe and effective reloading experience.
