

# Bench-Rest-Seater 1 1/4 - Bench-Rest-Seater 9,3x74 R

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The BR-Seater is your reliable partner for highest precision in seating match bullets, or whenever in questions of "bullet runout", there is no room for compromise.

Thanks to the guide sleeve which is modelled like the cartridge chamber, the cartridge case will receive perfect axial guidance during the seating operation.

Also, the bullet will be guided in the same process.

This ensures perfect concentricity. Of course, the seater-head is replaceable. Various types of seater-heads are offered.

Choosing the correct seater head for the bullet used often improves concentricity significantly. You will find further instructions and assistance in selecting accessories and spare parts in the manual.

# BenchRestSeater 1 1/4 BenchRestSeater 9,3x74 R Safety Instruction Guide

## Introduction

Thank you for choosing the BenchRestSeater 1 1/4 BenchRestSeater 9,3x74 R. This product is designed to provide the highest precision in seating match bullets and ensuring optimal bullet runout. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always read the instruction manual before using the product.
- Ensure that the product is used in accordance with the manufacturer's specifications.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the BenchRestSeater only for its intended purpose as specified in the manual.
- Ensure that the working area is clean and free of obstructions.
- Wear appropriate safety equipment, such as eye protection, when using the product.
- Do not exceed the recommended specifications for bullet types and sizes.
- Avoid using the product if you are tired or under the influence of substances that may impair your judgment.
- Always follow the recommended procedures for seating bullets to prevent accidents.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the workspace is clean and welllit.
- Gather all necessary tools and materials before starting.

### 2. Installation:

- Attach the seaterhead securely to the BenchRestSeater.
- Make sure that the guide sleeve is properly aligned with the cartridge chamber.

### 3. Usage:

- Insert the cartridge case into the guide sleeve.
- Place the bullet into the seaterhead.
- Gently apply pressure to seat the bullet into the cartridge case, ensuring that it is straight and properly aligned.
- Check for concentricity after seating the bullet. If necessary, adjust the seaterhead and repeat the process.
- After use, clean the product to maintain its performance and longevity.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

## Contact Information for Further Support

For any inquiries or assistance regarding the BenchRestSeater, please refer to the contact information provided in the product manual or packaging.
