

Bench-Rest-Seater 1 1/4 - Bench-Rest-Seater 416 Rem Mag

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The BR-Seater is your reliable partner for highest precision in seating match bullets, or whenever in questions of “bullet runout”, there is no room for compromise.

Thanks to the guide sleeve which is modelled like the cartridge chamber, the cartridge case will receive perfect axial guidance during the seating operation.

Also, the bullet will be guided in the same process.

This ensures perfect concentricity. Of course, the seater-head is replaceable. Various types of seater-heads are offered.

Choosing the correct seater head for the bullet used often improves concentricity significantly. You will find further instructions and assistance in selecting accessories and spare parts in the manual.

BenchRestSeater 1 1/4 Safety Instruction Guide

Introduction

Thank you for choosing the BenchRestSeater 1 1/4 for your precision bullet seating needs. This guide provides essential safety instructions and usage guidelines to ensure you use the product safely and effectively. Please read this manual thoroughly before using the product.

General Safety Guidelines

- Always ensure that the BenchRestSeater is used in a wellventilated area.
- Keep the product out of reach of children and unauthorized users.
- Inspect the BenchRestSeater for any damages before each use. Do not use if damaged.
- Use the product only as intended, following all instructions provided in this guide.
- Report any accidents or unsafe conditions to the relevant authorities promptly.
- Stay informed about product recalls and safety updates via the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always wear safety glasses to protect your eyes from debris during the bullet seating process.
- Ensure that the seaterhead is securely attached before use to prevent accidents.
- Handle bullets and cartridge cases with care to avoid injury.
- Do not exceed the recommended specifications for bullet types and weights as indicated in the product manual.
- Avoid distractions while using the BenchRestSeater to maintain focus and prevent accidents.
- Store the product in a dry place to avoid corrosion or damage to components.

Instructions for Installation and Usage

Installation

1. **Unpack the Product:** Carefully remove the BenchRestSeater from its packaging and inspect for any damage.
2. **Select the Appropriate SeaterHead:** Choose the correct seaterhead compatible with the bullet you intend to use. Refer to the manual for compatibility information.
3. **Attach the SeaterHead:**
 - Align the seaterhead with the seater mechanism.
 - Securely fasten the seaterhead by tightening it clockwise.
4. **Adjust the Guide Sleeve:** Ensure that the guide sleeve is properly adjusted to match the cartridge chamber specifications.

Usage

1. **Prepare Your Work Area:** Ensure that your work area is clean, organized, and free from hazards.
2. **Load the Cartridge Case:** Insert the cartridge case into the guide sleeve, ensuring it is seated correctly.
3. **Insert the Bullet:** Place the bullet into the seaterhead, ensuring it is aligned properly.
4. **Perform the Seating Operation:**
 - Firmly press down on the handle to seat the bullet into the cartridge case.
 - Maintain steady pressure to ensure consistent seating depth.
5. **Inspect the Finished Cartridge:** After seating, check the cartridge for proper bullet runout and concentricity.
6. **Repeat as Necessary:** Continue the process for additional cartridges, ensuring to follow the same steps for each.

Disposal Instructions

- Dispose of any unused or damaged cartridges and components according to local regulations.
- Recycle packaging materials where possible to minimize environmental impact.
- Do not dispose of the product in household waste. Follow local guidelines for disposal of nonfood products.

Contact Information for Further Support

For any questions, concerns, or safety inquiries regarding the BenchRestSeater 1 1/4, please refer to the relevant contact points provided in the product manual or your retailer.

Thank you for your attention to these safety instructions. Enjoy using your BenchRestSeater with confidence and precision.
