

Bench-Rest-Seater 1 1/4 - Bench-Rest-Seater 416 Rigby

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The BR-Seater is your reliable partner for highest precision in seating match bullets, or whenever in questions of “bullet runout”, there is no room for compromise.

Thanks to the guide sleeve which is modelled like the cartridge chamber, the cartridge case will receive perfect axial guidance during the seating operation.

Also, the bullet will be guided in the same process.

This ensures perfect concentricity. Of course, the seater-head is replaceable. Various types of seater-heads are offered.

Choosing the correct seater head for the bullet used often improves concentricity significantly. You will find further instructions and assistance in selecting accessories and spare parts in the manual.

BenchRestSeater 1 1/4 Safety Instruction Guide

Introduction

Thank you for choosing the BenchRestSeater 1 1/4 for your precision bullet seating needs. This guide provides essential safety instructions to ensure the safe and effective use of the product, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read the instruction manual thoroughly before using the product.
- Ensure that the BenchRestSeater is used only for its intended purpose: seating match bullets and addressing bullet runout.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear before use.
- Report any unsafe conditions or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Hazard Awareness:** Be aware of potential hazards, such as:
 - Improper seating of bullets leading to misfires or inaccurate shots.
 - Risk of injury from sharp components.
- **Proper Handling:**
 - Always handle the seater with care.
 - Avoid applying excessive force during the seating operation.
- **Protective Equipment:**
 - Use safety glasses to protect your eyes from potential debris.
 - Wear gloves if handling sharp components or cleaning the device.
- **Environment:**
 - Use the product in a wellventilated area.
 - Ensure that the work surface is stable and free from clutter.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure the workspace is clean and organized.
 2. Attach the BenchRestSeater to a stable platform.
 3. Select the appropriate seaterhead for the bullet you are using.
 4. Secure the seaterhead according to the manufacturer's instructions.
- **Usage:**
 1. Insert the cartridge case into the guide sleeve.
 2. Align the bullet with the cartridge case.
 3. Gently press down to seat the bullet, ensuring proper axial guidance.
 4. Check the concentricity of the seated bullet.
 5. If necessary, adjust the seaterhead for improved performance.
- **PostUsage Care:**
 - Clean the BenchRestSeater after each use to maintain its functionality.
 - Store the product in a dry, safe place away from direct sunlight.

Disposal Instructions

- Dispose of the BenchRestSeater in accordance with local regulations.
- Do not dispose of the product in household waste.
- Check for recycling options in your area.

Contact Information for Further Support

For any questions or concerns regarding the BenchRestSeater 1 1/4, please refer to the contact information provided in the product manual or packaging.

By following these safety instructions, you will ensure a safe and effective experience with your BenchRestSeater 1 1/4. Thank you for prioritizing safety in your reloading practices.
