

ACC Premier Gen 2 System - CZ 457 - RH - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

An all-round refresh to the industry-defining ACC Premier. The ACC Premier GEN2 borrows improvements made with the ACC Elite.

An evolution of competitive shooting, the MDT ACC Premier GEN2 Chassis System offers superior precision, stability, rigidity. The wide, thick and flat forend eliminates flex and torsion, creating a highly stable platform on barricades and other PRS props. It also features a full-length integrated ARCA rail to mount bipods and tripods for enhanced stability. Features a compact 15" forend, comfortably accommodating barrels starting at 17". The MDT ACC Premier GEN2 is compatible with a variety of weights to help you achieve that perfect balance.

The ability to finely tune your hand position, cheek weld, and length of pull provides a comfortable shooting experience tailored to you. A wide array of optional accessories that expand and enhance functionality are also available. Upgrade your rifle with ease and hit the range in no time. Simply drop your action into place and tighten two screws. No need for complicated gunsmithing.

Safety Instruction Guide for ACC Premier Gen 2 System CZ 457 RH

Introduction

Thank you for choosing the ACC Premier Gen 2 System for your CZ 457 rifle. This guide provides essential safety instructions and guidelines to ensure safe usage and optimal performance of your product. It complies with the EU General Product Safety Regulation (GPSR) to help protect you and others while using this equipment.

General Safety Guidelines

- Ensure that you read and understand all instructions before using the ACC Premier Gen 2 System.
- Always treat your rifle as if it is loaded, even when you believe it is not.
- Keep the rifle pointed in a safe direction at all times.
- Store the rifle and chassis system in a secure location, away from unauthorized access, especially by children.
- Regularly inspect the system for any signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the rifle is unloaded before installation or adjustments.
- Use only compatible accessories and parts with the ACC Premier Gen 2 System.
- Be aware of your surroundings and ensure that the area is clear of people and obstructions when shooting.
- Use appropriate eye and ear protection when shooting.
- Do not exceed the recommended weight limits for the chassis system.
- Adjust the length of pull and cheek weld according to your body size to maintain a proper shooting stance.
- Avoid using the chassis system in adverse weather conditions that may affect performance or safety.

Instructions for Installation and Usage

1. Installation

- Ensure that you have all necessary components before starting the installation.
- Place the rifle action into the ACC Premier Gen 2 chassis.
- Tighten the two screws securely to hold the action in place.
- Ensure that the chassis is stable and secure before proceeding.

2. Usage

- Adjust the forend length to accommodate your barrel length, ensuring a snug fit.
- Utilize the integrated ARCA rail for mounting bipods or tripods for enhanced stability.
- Finetune your hand position and cheek weld for optimal comfort and accuracy.
- Regularly check the screws and fittings for tightness during usage.

Disposal Instructions

- Follow local regulations for the disposal of the ACC Premier Gen 2 System and any associated components.
- Do not dispose of the product in regular household waste.
- If the product is damaged beyond repair, consider recycling materials where possible.

Contact Information for Further Support

For any questions or concerns regarding the ACC Premier Gen 2 System, please refer to the contact information provided by your retailer or manufacturer. It is essential to have access to support for safety inquiries and product information.

By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your ACC Premier Gen 2 System CZ 457 RH. Always prioritize safety and stay informed about best practices for firearm usage.
