On-the-Go Power: XCOR's Charging Case

Stay prepared for action with the sleek USB-C charging case, keeping your XCOR earbuds powered up and ready for every expedition.

Tap & Touch Control

Experience seamless control at your fingertips. With XCOR's intuitive touch controls, you can manage your hearing settings easily, without needing to reach for your phone. Quickly toggle between hearing protection and enhancement modes, adjust volume, and enjoy full command over your listening environment.

Next-Level Hearing Protection

Designed for dynamic environments, XCOR electronically compresses sounds above 85 dB while providing up to 30 dB SNR with a secure foam plug seal. 27-29 dB Single Number Rating (SNR)

ENHANCE YOUR HEARING

The Hear Control on the XCOR allows you to hear what's happening around you while protecting your hearing!

PROTECT YOUR HEARING

The Digital Hearing Protection on the XCOR compresses loud noises rather than shuts them out/off. This allows you to hear all sounds around you, while the automatic compression protects against loud gunfire or other damaging noises over 85dB.

- 27-29 dB SNR / 21-23 dB NRR (depending on the ear tip style; foam provides more)
- USB-C Charging
- Water & Dust Resistant
- Wind Resistant
- Run Time: 15 Hours - Hear Control

AXIL XCOR EarPro Safety Instruction Guide

Introduction

Thank you for choosing the AXIL XCOR EarPro. This guide provides essential safety instructions to ensure the safe and effective use of your product. By following these guidelines, you can enhance your hearing experience while protecting your hearing in various environments.

General Safety Guidelines

- **Product Safety:** The AXIL XCOR EarPro is designed for safe use. Always ensure that you follow the safety guidelines outlined in this document.
- **Enhanced Recalls:** Stay informed about any product recalls. If you receive a recall notice, follow the provided instructions to return the product for a remedy.
- **Online Shopping:** When purchasing online, ensure that the seller meets all safety requirements. Your rights as a consumer remain the same as in physical stores.
- **Special Consumer Focus:** Extra care should be taken when using this product around vulnerable groups, including children. Ensure that children are supervised when using the device.
- **EU Contact Point:** For any safety inquiries, refer to the appropriate EU contact point provided by the retailer.
- **Rapid Alerts:** Be aware that updates regarding unsafe products are communicated through the EU Safety Gate system. Regularly check for any updates related to your product.

Specific Safety Precautions for Use

- **Hearing Protection:** The AXIL XCOR EarPro provides hearing protection by electronically compressing sounds above 85 dB. Always ensure that the device is functioning correctly before use.
- **Noise Exposure:** Avoid prolonged exposure to loud noises, even with hearing protection. Regularly check the device for any signs of damage.
- **Battery Safety:** Use only the provided USB-C charging case for charging. Do not attempt to open or modify the battery.
- **Water & Dust Resistance:** While the AXIL XCOR is designed to be water and dust resistant, it is not waterproof. Avoid submerging the device in water.
- **Wind Resistance:** The device is designed to minimize wind noise. However, in extremely windy conditions, additional precautions may be necessary.
- **Age Restrictions:** This product is not recommended for children under the age of 12 without adult supervision.

Instructions for Installation and Usage

1. Charging the Device:

- Use the provided USB-C charging case to charge the AXIL XCOR EarPro.
- Ensure that the case is plugged into a power source during charging.
- Check the indicator light to confirm that the earbuds are charging.

2. Wearing the Device:

- Choose the appropriate ear tip size for a secure fit.
- Insert the ear tips gently into your ears, ensuring a snug fit to maximize sound quality and protection.
- Adjust the position of the earbuds for comfort.

3. Using Touch Controls:

- Familiarize yourself with the intuitive touch controls for managing hearing settings.
- To toggle between hearing protection and enhancement modes, gently tap the designated area on the earbud.
- Adjust the volume by swiping up or down on the touch control area.

4. **Maintaining the Device:**

- Regularly clean the ear tips and charging case using a soft, dry cloth.
- Store the device in a cool, dry place when not in use.
- Avoid exposing the earbuds to extreme temperatures or humidity.

Disposal Instructions

- **Battery Disposal:** Dispose of the battery according to local regulations for battery disposal. Do not throw it in regular household waste.
- **Device Disposal:** When the AXIL XCOR EarPro reaches the end of its life, dispose of it in accordance with local electronic waste regulations.
- **Recycling:** Consider recycling the product to minimize environmental impact.

Contact Information for Further Support

For additional support or inquiries regarding safety, please refer to the contact information provided by the retailer or manufacturer. They will be able to assist you with any questions or concerns you may have.

By following these safety instructions, you can ensure the effective and safe use of your AXIL XCOR EarPro. Enjoy enhanced hearing protection and stay aware of your surroundings during your shooting and hunting adventures.
