### On-the-Go Power: XCOR's Charging Case

Stay prepared for action with the sleek USB-C charging case, keeping your XCOR earbuds powered up and ready for every expedition.

### Tap & Touch Control

Experience seamless control at your fingertips. With XCOR's intuitive touch controls, you can manage your hearing settings easily, without needing to reach for your phone. Quickly toggle between hearing protection and enhancement modes, adjust volume, and enjoy full command over your listening environment.

### Next-Level Hearing Protection

Designed for dynamic environments, XCOR electronically compresses sounds above 85 dB while providing up to 30 dB SNR with a secure foam plug seal. 27-29 dB Single Number Rating (SNR)

### ENHANCE YOUR HEARING

The Hear Control on the XCOR allows you to hear what's happening around you while protecting your hearing!

### PROTECT YOUR HEARING

The Digital Hearing Protection on the XCOR compresses loud noises rather than shuts them out/off. This allows you to hear all sounds around you, while the automatic compression protects against loud gunfire or other damaging noises over 85dB.

- 27-29 dB SNR / 21-23 dB NRR (depending on the ear tip style; foam provides more)
- USB-C Charging
- Water & Dust Resistant
- Wind Resistant
- Run Time: 15 Hours - Hear Control

# AXIL XCOR Pro Safety Instruction Guide

## Introduction

Thank you for choosing the AXIL XCOR Pro Ear Protection Device. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this manual carefully before using your device to maximize your experience and safety.

## General Safety Guidelines

- **Product Safety:** The AXIL XCOR Pro is designed to ensure safe use while enhancing your hearing experience. It meets the necessary safety standards for nonfood products.
- **Enhanced Recalls:** In the unlikely event of a product recall, you will receive standardized notices and remedies at no cost.
- **Online Shopping:** When purchasing online, you receive the same safety protections as when buying in physical stores.
- **Special Consumer Focus:** This product is designed with extra safeguards for vulnerable groups, including children. Keep out of reach of children unless used under adult supervision.
- **EU Contact Point:** For any safety inquiries, please ensure you have access to an EU-based contact point.
- **Rapid Alerts:** Stay informed about any unsafe products through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Hearing Protection:** The XCOR Pro is designed to compress sounds above 85 dB. Ensure you understand how to toggle between hearing protection and enhancement modes.
- **Battery Safety:** Use only the provided USB-C charging case for recharging your device. Avoid exposing the charging case to extreme temperatures or moisture.
- **Water and Dust Resistance:** The device is water and dust resistant; however, it is not waterproof. Avoid submerging the product in water.
- **Wind Resistance:** While the XCOR Pro is designed to minimize the impact of wind noise, be cautious in extremely windy conditions.
- **Age Restrictions:** This product is not intended for children under the age of 12 without adult supervision.

## Instructions for Installation and Usage

### 1. Charging the Device:

- Use the included USB-C charging case to charge your XCOR Pro.
- Connect the charging case to a power source using the USB-C cable.
- Ensure the earbuds are properly seated in the charging case for optimal charging.

### 2. Wearing the Device:

- Choose the appropriate ear tip style for a secure fit (foam tips provide better noise reduction).
- Insert the earbuds gently into your ears, ensuring a snug fit to maximize hearing protection.

### 3. Using Touch Controls:

- Tap the earbud to toggle between hearing protection and enhancement modes.
- Swipe to adjust the volume to your preferred level.
- Familiarize yourself with the touch control functions for a seamless experience.

### 4. Maintaining the Device:

- Regularly clean the ear tips and charging case with a soft, dry cloth.
- Inspect the device for any signs of damage before each use.

## Disposal Instructions

- **Environmental Considerations:** Dispose of the product in accordance with local regulations for electronic waste.
- **Battery Disposal:** Do not dispose of batteries in household waste. Follow local guidelines for battery recycling.

## Contact Information for Further Support

For any questions or concerns regarding your AXIL XCOR Pro, please refer to the manufacturer's website or customer service for assistance.

Thank you for prioritizing safety while using the AXIL XCOR Pro. Enjoy your enhanced hearing experience!
