AXIL TRACKR Blu Earmuffs Safety Instruction Guide

Introduction

Thank you for choosing the AXIL TRACKR Blu Earmuffs. Designed for ultimate hearing protection and wireless audio connectivity, these earmuffs are equipped with advanced features to enhance your listening experience while safeguarding your hearing. This guide provides essential safety instructions and information to ensure the safe and effective use of your product.

General Safety Guidelines

- **Product Safety:** The AXIL TRACKR Blu Earmuffs are designed to meet safety standards for nonfood products. Ensure proper usage to avoid risks not covered by other regulations.
- **Enhanced Recalls:** In the unlikely event of a recall, you will receive standardized notices and remedies at no cost.
- **Online Shopping:** The same safety protections apply whether you purchase in a physical store or online. Always ensure that online platforms comply with safety requirements.
- **Special Consumer Focus:** Extra care should be taken when using this product around vulnerable groups, such as children.
- **EU Contact Point:** For any safety inquiries, please refer to the EU-based contact information provided with your product.
- **Rapid Alerts:** Stay informed about unsafe products through the EU's Safety Gate system, which provides faster updates.

Specific Safety Precautions for Use

- **Hearing Protection:** The earmuffs are designed to electronically compress sounds over 82 dB, providing a safe 27 dB SNR. Always ensure they are properly fitted to maximize protection.
- **Volume Control:** Use the power knob to adjust the volume for hearing enhancement. Avoid setting the volume too high to prevent potential hearing damage.
- **Environmental Awareness:** While using the earmuffs, remain aware of your surroundings. Do not use them in situations where you need to hear external sounds for safety.
- **Moisture Exposure:** These earmuffs are sweat and water-resistant. However, avoid exposing them to excessive moisture to maintain their functionality.
- **Battery Safety:** Use only the recommended 2 AAA batteries. Do not mix old and new batteries or different types of batteries.

Instructions for Installation and Usage

• Installation:

1. Open the battery compartment located at the bottom of the earmuffs.
2. Insert 2 AAA batteries, ensuring correct polarity (+/-).
3. Close the battery compartment securely.

• Usage:

1. Place the earmuffs over your ears and adjust the headband for a snug fit.
2. To activate hearing protection and enhancement, scroll the power knob upwards.
3. Adjust the volume to your desired level for optimal hearing enhancement.
4. Connect your Bluetooth device by following the device's pairing instructions.

- **Maintenance:**

- Regularly check the earmuffs for signs of wear and tear.
- Clean the earmuffs with a soft, damp cloth. Do not use harsh chemicals or solvents.

Disposal Instructions

- **Battery Disposal:** Dispose of used batteries in accordance with local regulations. Do not throw batteries in regular household waste.
- **Product Disposal:** When the earmuffs reach the end of their life, dispose of them responsibly. Check local guidelines for electronic waste disposal.

Contact Information for Further Support

For any questions or concerns regarding the AXIL TRACKR Blu Earmuffs, please refer to the contact information provided with your product packaging or visit the manufacturer's website for further assistance.

By following these safety instructions, you can enjoy the benefits of the AXIL TRACKR Blu Earmuffs while ensuring your safety and the safety of those around you. Thank you for your attention to these important guidelines.
