AXIL TRACKR Electronic Earmuffs Safety Instruction Guide

Introduction

Thank you for choosing the AXIL TRACKR Electronic Earmuffs. These earmuffs are designed to provide both hearing enhancement and protection in various environments. This guide outlines essential safety instructions to ensure safe and effective use of the product, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- **Product Safety:** Ensure safe use of the AXIL TRACKR Electronic Earmuffs by following all instructions provided in this guide.
- **Enhanced Recalls:** Be aware of standardized recall notices. In case of a recall, you will be informed about free remedies for any dangerous products.
- **Online Shopping:** If purchased online, ensure that the retailer meets all safety requirements similar to physical stores.
- **Special Consumer Focus:** Extra care should be taken when using these earmuffs around vulnerable groups, including children.
- **EU Contact Point:** For any safety inquiries, refer to the designated EU contact point.
- **Rapid Alerts:** Stay updated on unsafe products through the Safety Gate system.

Specific Safety Precautions for Use

- **Hearing Protection:** Always wear the earmuffs when exposed to loud noises to protect your hearing.
- **Volume Control:** Adjust the volume to a comfortable level to avoid sudden loud sounds that could harm your hearing.
- **Battery Safety:** Use only the specified type of batteries (2 'AAA' batteries included). Do not mix old and new batteries or different battery types.
- **Comfort and Fit:** Ensure the earmuffs fit securely on your head to maximize comfort and sound protection.
- **Avoid Moisture:** Keep the earmuffs dry and avoid exposure to water or moisture, which could damage the electronic components.
- **Check for Damage:** Regularly inspect the earmuffs for any signs of damage or wear. Do not use if damaged.

Instructions for Installation and Usage

1. Installation:

- Remove the earmuffs from the packaging.
- Ensure the earmuffs are clean and free from any debris before use.
- Insert the included batteries into the battery compartment, ensuring correct polarity.

2. Usage:

- Place the earmuffs over your ears, adjusting the headband for a snug fit.
- Use the recessed volume control knobs to adjust the sound level to your preference.
- Connect any audio devices using the audio input jack for enhanced listening experiences.
- Activate the earmuffs by turning them on according to the instructions provided in the product manual.

3. **Sound Activation:**

- The earmuffs feature soundactivated compression that reacts within 0.02 seconds to protect your hearing from loud noises.
- Ensure that the earmuffs are functioning correctly by testing them in a safe environment before use in highnoise situations.

Disposal Instructions

- **Battery Disposal:** Dispose of batteries in accordance with local regulations for hazardous waste. Do not throw batteries in household waste.
- **Product Disposal:** When the earmuffs have reached the end of their life, dispose of them responsibly. Check local regulations for electronic waste disposal.
- **Recycling:** Consider recycling the product and packaging materials where possible to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the AXIL TRACKR Electronic Earmuffs, please refer to the manufacturer's support resources. Always keep this guide for future reference to ensure safe and effective use of your product.

Thank you for prioritizing your hearing safety with AXIL TRACKR Electronic Earmuffs. Enjoy your enhanced hearing experience!
