GS Extreme 2.0: The All-in-One Solution for Range Day & Beyond

Designed for ultimate comfort and performance, the GS Extreme 2.0 handles over 1 million sounds per second, automatically adjusting to make soft sounds louder and loud sounds softer—all within milliseconds, so you stay focused without distractions.

Compact & Sleek Design

With its slim profile, the GS Extreme 2.0 integrates seamlessly with your gear, offering compatibility with hats, glasses, and gun stocks for an uninterrupted experience.

Stay Connected with Bluetooth

Whether you're on the range, out in the field, or working out, GS Extreme 2.0 keeps you connected with Bluetooth capability, combining protection with your favorite audio for ultimate convenience.

Effortless Sound Control

Convenient control sticks on the lanyard put sound management right at your fingertips, blending ease with innovation.

Ultimate Hearing Boost

Turn on both hearing protection and enhancement to amplify sounds up to 6x for superior situational awareness. The GS Extreme 2.0 combines Bluetooth earbuds, noise-isolating headphones, and electronic earmuffs into a single device—making it the perfect choice for all your audio and hearing protection needs.

- 19-29 dB SNR: Versatile protection against noise
- 3-in-1 Functionality: Combines Bluetooth earbuds, noise isolation, and electronic earmuffs
- Customizable Hearing Boost: Amplify sounds for a heightened awareness in any setting
- Effortless Connectivity & Control: Bluetooth capability and lanyard control sticks for seamless use

GS Extreme 2.0 Safety Instruction Guide

Introduction

Thank you for choosing the GS Extreme 2.0, the allinone solution for range day and beyond. This guide provides essential safety instructions to ensure safe and effective use of your product. Please read this guide carefully and keep it for future reference.

General Safety Guidelines

- Ensure that the GS Extreme 2.0 is used in accordance with the manufacturer's instructions to prevent accidents and injuries.
- Regularly check the product for any signs of wear or damage. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals who may not understand its use.
- Always use the product in a safe environment, free from distractions and hazards.
- Be aware of your surroundings while using the GS Extreme 2.0, especially in outdoor or shooting range settings.

Specific Safety Precautions for Use

- **Hearing Protection:** The GS Extreme 2.0 provides hearing protection. Ensure it is fitted correctly before engaging in activities where loud noises may occur.
- **Bluetooth Connectivity:** When using Bluetooth, maintain awareness of your surroundings to avoid accidents. Do not allow distractions from audio to compromise your safety.
- **Control Sticks:** Use the control sticks on the lanyard to adjust sound levels without removing the device. Avoid adjusting controls while in motion to prevent accidents.
- **Battery Safety:** Follow the manufacturer's guidelines for battery usage and replacement. Do not expose batteries to extreme temperatures or moisture.
- **Compatibility:** Ensure that the GS Extreme 2.0 is compatible with your gear, including hats, glasses, and gun stocks, to avoid discomfort or distraction.

Instructions for Installation and Usage

1. Fitting the Device:

- Place the GS Extreme 2.0 over your ears, ensuring a snug fit.
- Adjust the headband for comfort and stability.

2. Connecting Bluetooth:

- Turn on the Bluetooth function on your device.
- Pair the GS Extreme 2.0 with your audio device following the manufacturer's instructions.

3. Using Control Sticks:

- Use the control sticks on the lanyard to adjust volume levels.
- Familiarize yourself with the controls before engaging in activities.

4. Activating Hearing Boost:

- To amplify sounds, activate the hearing boost feature as per the instructions.
- Use this feature judiciously to maintain situational awareness.

5. Regular Maintenance:

- Clean the device regularly with a soft, dry cloth.
- Store the GS Extreme 2.0 in a cool, dry place when not in use.

Disposal Instructions

- Dispose of the GS Extreme 2.0 in accordance with local regulations regarding electronic waste.
- Remove batteries before disposal and recycle them according to local guidelines.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product issues, please contact the manufacturer or your local distributor. All products must have an EU-based contact for safety inquiries.

By following these safety instructions, you can ensure a safe and enjoyable experience with your GS Extreme 2.0. Thank you for prioritizing safety!
