OBI Clamp Lock with TEKLOK Safety Instruction Guide

Introduction

Thank you for choosing the OBI Clamp Lock with TEKLOK. This product is designed to provide a secure and versatile mounting solution for your gear. To ensure safe and effective use, please read and follow the safety instructions and guidelines outlined in this document.

General Safety Guidelines

- **Product Safety:** Always ensure that the product is used as intended. This product is designed for mounting gear and must not be used for any other purpose.
- **Enhanced Recalls:** Stay informed about product recalls. Regularly check for updates regarding safety notices related to this product.
- **Online Shopping:** If purchased online, ensure that the platform complies with safety requirements, just as you would when shopping in physical stores.
- **Special Consumer Focus:** This product is not intended for use by children under the age of 12 without adult supervision.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided by your retailer or distributor.
- **Rapid Alerts:** Be aware that updates regarding unsafe products are communicated through the EU's Safety Gate system.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Ensure that the mounting area is stable and free from obstructions before attaching the Clamp Lock.
 - Avoid using the Clamp Lock in extreme weather conditions that may affect its performance.
- **Avoiding Hazards:**
 - Do not exceed the weight limit of the gear mounted using the Clamp Lock.
 - Regularly inspect the Clamp Lock and TEKLOK for any signs of wear or damage before each use.
 - Ensure that the Clamp Lock is securely fastened before moving or using mounted gear.
- **Age Specific Warnings:**
 - This product should not be used by children under 12 years old unless supervised by an adult.
 - Ensure that any gear mounted does not pose a risk of injury to children.

Instructions for Installation and Usage

1. Installation:

- Identify the location on your backpack or belt strap where you wish to attach the Clamp Lock.
- Ensure that the strap is clean and free of any debris.
- Slide the TEKLOK attachment onto the strap, ensuring it fits securely and is not loose.
- If using a belt, ensure it is not wider than 1.5 inches for a proper fit.

2. Usage:

- Once installed, you can connect any compatible round or square posts to the Clamp Lock.
- Ensure that any gear mounted is securely fastened and that the Clamp Lock is fully engaged.
- Regularly check the connection to ensure it remains secure during use.

Disposal Instructions

- Dispose of the OBI Clamp Lock with TEKLOK responsibly.
- Check local regulations for the proper disposal of plastic and metal products.
- If the product is damaged or no longer usable, do not throw it in regular waste. Instead, look for recycling programs in your area.

Contact Information for Further Support

For any questions or concerns regarding the OBI Clamp Lock with TEKLOK, please refer to the contact information provided by your retailer or distributor. They can assist you with any safety inquiries or support you may need.

By following these guidelines, you can ensure the safe use of the OBI Clamp Lock with TEKLOK. Thank you for your attention to safety, and enjoy the versatility and convenience this product offers.
