# OBI Clamp Lock with TEKLOK Safety Instructions

## Introduction

Thank you for choosing the OBI Clamp Lock with TEKLOK. This versatile and secure mounting solution is designed for easy attachment to your backpack or belt strap. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Regularly inspect the Clamp Lock and TEKLOK for wear and damage before each use.
- Keep the product out of reach of children to prevent accidental injury.
- If you notice any defects or malfunctions, discontinue use immediately and contact customer support.
- Follow all instructions provided in this manual to ensure safe usage.

## Specific Safety Precautions for Use

- **Weight Limit:** Do not exceed the recommended weight limit for attachments to the Clamp Lock. Overloading can lead to failure and potential injury.
- **Secure Attachment:** Always ensure that the Clamp Lock is securely attached to your belt or strap before use.
- **Environmental Conditions:** Avoid using the product in extreme weather conditions that could affect its performance, such as heavy rain or extreme heat.
- **Avoid Sharp Objects:** Keep the product away from sharp objects that could cause damage to the Clamp Lock or TEKLOK.
- **Regular Maintenance:** Clean the product regularly to prevent dirt and debris from affecting its functionality.

## Instructions for Installation and Usage

1. **Check Components:** Ensure you have at least one Clamp Lock OR Slide Lock, as well as an RP M, QD P, or Anywhere Mount before installation.
2. **Attach TEKLOK:**
  - Open the TEKLOK latch by pressing the release mechanism.
  - Slide the TEKLOK onto your belt or strap, ensuring it fits securely.
  - Close the latch to lock it in place. Confirm it is securely fastened.
3. **Mounting Gear:**
  - Choose a compatible round or square post for mounting.
  - Align the post with the Clamp Lock opening.
  - Push the post into the Clamp Lock until it clicks into place, indicating it is secure.
4. **Adjusting Gear:** If necessary, adjust the position of the mounted gear for optimal accessibility and comfort.
5. **Removing Gear:** To remove the mounted gear, press the release mechanism on the Clamp Lock and gently pull the gear out.

## Disposal Instructions
