

Clamp Lock TEK-LOK Screws

[Shooting Accessories](#) > [Duty Gear](#)

The TEK-LOK Screws are designed to securely attach the Clamp Lock to the TEK-LOK belt attachment, ensuring a reliable and sturdy connection.

The versatile Clamp Lock is compatible with webbing sizes ranging from 1/2 inch to 1.5 inches, allowing it to mount seamlessly to your backpack or belt strap. Once installed, it enables you to connect various round or square posts with ease, making it an essential accessory for on-the-go utility.

NOTE:

Clamp Locks included with the bar system feature pre-threaded holes specifically for these TEK-LOK screws. To use this system, you will need at least one Clamp Lock along with one RP M, QD P, or Anywhere Mount. Upgrade your gear with the TEK-LOK Screws for a secure and adaptable mounting solution!

Safety Instruction Guide for Clamp Lock TEKLOK Screws

Introduction

Thank you for choosing the Clamp Lock TEKLOK Screws. This guide provides essential safety information, installation instructions, and proper usage guidelines to ensure a safe and effective experience with your product. Please read this document carefully before using the Clamp Lock TEKLOK Screws.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as described in the product specifications.
- Regularly inspect the Clamp Lock and TEKLOK Screws for any signs of wear or damage before each use.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- If you notice any defects or malfunction, discontinue use immediately and consult the manufacturer.
- Always follow local regulations regarding the use of gear and accessories in outdoor activities.

Specific Safety Precautions for Use

- Use the Clamp Lock TEKLOK Screws only with compatible Clamp Locks that feature prethreaded holes.
- Ensure that the webbing used with the Clamp Lock is within the specified size range of 1/2 inch to 1.5 inches.
- Do not exceed the weight limit or load capacity recommended for the Clamp Lock and TEKLOK system to avoid failure.
- Avoid using the product in extreme weather conditions that may compromise its integrity or performance.
- Always doublecheck connections and fittings before engaging in any activity that relies on the stability of the mounted equipment.

Instructions for Installation and Usage

1. **Gather Required Tools:** Ensure you have the necessary tools for installation, including a screwdriver if required.
2. **Prepare the Clamp Lock:**
 - Ensure the Clamp Lock is clean and free from debris.
 - Inspect the prethreaded holes for any obstructions.
3. **Attach TEKLOK Screws:**
 - Align the TEKLOK Screws with the prethreaded holes in the Clamp Lock.
 - Securely tighten the screws using the appropriate tool. Do not overtighten, as this may damage the threading.
4. **Mounting:**
 - Select a suitable location on your backpack or belt strap for mounting the Clamp Lock.
 - Slide the webbing through the Clamp Lock and adjust for a snug fit.
5. **Check Stability:**
 - Once mounted, ensure that the Clamp Lock is securely fastened and that the TEKLOK Screws are tight.
 - Test the stability by gently pulling on the Clamp Lock before using it in a practical application.

Disposal Instructions

- Dispose of the Clamp Lock TEKLOK Screws responsibly according to local waste management regulations.
- If the product is no longer usable, consider recycling components where applicable.
- Do not dispose of the product in household waste if it contains hazardous materials.

Contact Information for Further Support

For any inquiries or concerns regarding the Clamp Lock TEKLOK Screws, please reach out to the manufacturer through the provided contact information on the product packaging or documentation.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy using the Clamp Lock TEKLOK Screws!
