# Clamp Lock Long Bars Safety Instructions

## Introduction

Thank you for choosing the Clamp Lock Long Bars. This product is designed to securely mount the Clamp Lock to a belt or strap with a width of up to 3.8 cm. To ensure your safety and the proper use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always ensure that the Clamp Lock Long Bars are used according to the manufacturer's instructions.
- Inspect the product regularly for wear and tear. Do not use if damaged.
- Keep the product out of reach of children to prevent accidental injury.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the belt or strap is securely fastened before use.
- Do not exceed the recommended width of 3.8 cm for the strap or belt.
- Avoid using the Clamp Lock Long Bars in environments with extreme temperatures or conditions that may affect their integrity.
- Use the product only for its intended purpose. Misuse may result in injury or damage.
- If you experience any difficulties during installation or use, stop immediately and consult the instructions or seek assistance.

## Instructions for Installation and Usage

1. **Gather Required Components:** You will need at least one Clamp Lock or Slide Lock, and one RP M, QD P, or Anywhere Mount.
2. **Prepare the Strap or Belt:**
  - Ensure it is clean and free from any debris that may interfere with the locking mechanism.
  - Confirm that the width does not exceed 3.8 cm.
3. **Attach the Clamp Lock:**
  - Position the Clamp Lock Long Bars on the strap or belt.
  - Align the locking mechanism according to the manufacturer's specifications.
  - Securely fasten the Clamp Lock to the strap or belt.
4. **Test the Installation:**
  - Gently pull on the Clamp Lock to ensure it is securely attached.
  - Make sure there is no movement or slippage.
5. **Usage:**
  - Use the Clamp Lock Long Bars as intended, ensuring that the load does not exceed the product's specifications.
  - Regularly check the installation during use to ensure it remains secure.

## Disposal Instructions

- Dispose of the Clamp Lock Long Bars in accordance with local regulations.
- Do not dispose of the product in regular household waste if it is classified as hazardous.
- Consider recycling options if applicable.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please contact the manufacturer directly. Ensure that you have your product details and any relevant information ready for a prompt response.

By following these guidelines, you ensure not only your safety but also the longevity of your Clamp Lock Long Bars. Thank you for your attention to these important safety instructions.
