

## QD P(Quick Detach)

[Shooting Accessories](#) > [Duty Gear](#)

The Quick Detach Post (QD P) is the simplest and most user-friendly post in the family, offering toolless convenience for quick and secure connections. Designed to fit any flush cup, the QD P is compatible with rifles, camera cages, or other gear, making it an essential accessory for versatile setups.

Attaching the QD P is effortless—simply insert it into the flush cup hole, press the brass ball with your thumb, and push. Removal is just as easy: hold the post between your forefingers, depress the brass ball, and pull it out.

Fits Quick Disconnect (Flush Cup) sockets on rifles, camera cages, and more. Connects seamlessly with the Lock Family. Compatible with the Grip On Family for added versatility. Upgrade your gear with the QD P for fast, reliable, and hassle-free connections.

# QD P (Quick Detach) Safety Instruction Guide

## Introduction

Thank you for choosing the QD P (Quick Detach) Post. This product is designed to provide a simple and userfriendly solution for quick and secure connections with various gear, including rifles and camera cages. To ensure safe and effective use of your QD P, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always inspect the QD P for any signs of wear or damage before use.
- Ensure that the flush cup socket is clean and free of debris prior to installation.
- Do not use the QD P for any purpose other than its intended use as specified in this guide.
- Keep the QD P out of reach of children and vulnerable individuals to prevent accidental injury.
- If you experience any issues or concerns regarding the QD P, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- **Avoid Excessive Force:** Do not apply excessive force when inserting or removing the QD P. This may lead to damage or malfunction.
- **Proper Fit:** Ensure that the QD P fits securely in the flush cup socket. A loose fit can result in accidental disconnection.
- **Secure Connections:** Always confirm that the connection is secure before using any gear attached to the QD P.
- **Environmental Conditions:** Avoid using the QD P in extreme weather conditions that may affect its performance, such as heavy rain or extreme heat.
- **Regular Maintenance:** Regularly clean the QD P and the flush cup socket to ensure optimal functionality.

## Instructions for Installation and Usage

### 1. Installation:

- Locate the flush cup socket on your gear (e.g., rifle or camera cage).
- Insert the QD P into the flush cup socket.
- Press the brass ball with your thumb to secure the QD P in place.
- Ensure that the QD P is firmly attached and does not wobble.

### 2. Usage:

- To connect gear, ensure that the QD P is installed correctly in the flush cup socket.
- To detach the QD P, hold the post between your forefingers, depress the brass ball, and pull it out gently.
- Always check the connection before using any gear attached to the QD P.

## Disposal Instructions

- Dispose of the QD P in accordance with local regulations regarding electronic waste and materials.
- Do not dispose of the QD P in general household waste.
- Consider recycling the product if facilities are available in your area.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the QD P, please reach out to your retailer or manufacturer for assistance. Make sure to keep your purchase receipt for reference.

By following these safety instructions, you can ensure the safe use of your QD P (Quick Detach) Post, enhancing your overall experience with your gear. Thank you for your attention to these important guidelines.
