

# Anywhere Post

[Shooting Accessories](#) > [Duty Gear](#)

The OBi LINK SYSTEM – AnyWhere Post offers unmatched versatility, allowing you to attach it to virtually any gear. Whether bolted, threaded, or mounted to fabric, the AnyWhere Post provides a secure connection point for all OBi Locks.

Three Easy Attachment Options:

1. Fabric or Webbing: Use a Phillips screwdriver to create a small hole in the material, then secure the post using the included screws and flange washer. Perfect for backpacks or straps.
2. Pre-existing or Drilled Hole: Attach the post to your gear by bolting it through a hole with the provided screws and washer.
3. Threaded Attachment: Screw the post into a 10-32 threaded hole, or drill and tap a 10-32 hole for a customized fit.

AVAILABLE

Key Features:

4. Can be attached to anything using a 10-32 bolt or threaded stud.
5. Compatible with all Locks in the OBi lineup.
6. Designed for maximum adaptability with multiple mounting options.

NOTE: To use this system, you'll need at least one Clamp Lock or Slide Lock AND one RP M, QD P, or AnyWhere Post.

The AnyWhere Post delivers the flexibility you need for a fully customized setup, wherever your adventures take you.

# Anywhere Post Safety Instruction Guide

## Introduction

Thank you for choosing the Anywhere Post by OBI SYSTEMS. This product is designed to provide a versatile and secure connection point for all OBi Locks, ensuring maximum adaptability for your gear. This safety instruction guide aims to provide you with essential information to ensure safe usage, installation, and disposal of the Anywhere Post in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always read and understand the safety instructions before using the Anywhere Post.
- Ensure that the product is suitable for the intended use and compatible with your gear.
- Inspect the Anywhere Post regularly for any signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals unless supervised.
- Report any unsafe product experiences or accidents to the relevant authorities.
- Check the EU Safety Gate platform regularly for recall updates.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Improper installation may lead to detachment and potential injury.
  - Inadequate support may cause gear to fail unexpectedly.
  - Small parts (screws and washers) may pose a choking hazard if swallowed.
- **Instructions to Avoid Hazards:**
  - Always use the provided screws and washers for installation.
  - Ensure all attachments are secure and stable before use.
  - Do not modify the Anywhere Post or use it in ways not intended by the manufacturer.
  - Use caution when drilling or creating holes in materials to avoid injury.
- **AudienceSpecific Warnings:**
  - This product is not intended for use by children without adult supervision.
  - Ensure that all users are informed of the proper usage and safety precautions.

## Instructions for Installation and Usage

- **Attachment Options:**
  - 1. Fabric or Webbing:**
    - Use a Phillips screwdriver to create a small hole in the material.
    - Secure the post using the included screws and flange washer.
    - Ideal for backpacks or straps.
  - 2. Preexisting or Drilled Hole:**
    - Attach the post by bolting it through a hole using the provided screws and washer.
    - Ensure the hole is compatible with the post size.

### **3. Threaded Attachment:**

- Screw the post into a 1032 threaded hole.
- Alternatively, drill and tap a 1032 hole for a customized fit.

#### ◦ **General Usage Instructions:**

- Ensure that the Anywhere Post is securely attached before using it to hold any gear.
- Regularly check the integrity of the attachment to ensure safety during use.
- Keep the area around the attachment clear to avoid accidental damage or injury.

## **Disposal Instructions**

- Dispose of the Anywhere Post in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling options for metal and plastic components if available.

## **Contact Information for Further Support**

For any questions regarding the Anywhere Post or safety inquiries, please refer to the manufacturer's contact information provided with the product packaging or on the official OBI SYSTEMS website.
