# Strap Post Square Safety Instruction Guide

## Introduction

Thank you for choosing the Strap Post Square (SPS). This product is designed to securely attach gear to 1inch webbing, providing a reliable connection for various applications, including backpacks, belts, and MOLLE systems. To ensure safe use and optimal performance, please read this safety instruction guide carefully.

## General Safety Guidelines

- The Strap Post Square is intended for use with 1inch webbing only.
- Ensure that the webbing and the gear you are attaching are in good condition and free from damage.
- Always inspect the Strap Post Square before each use to ensure it is functioning properly.
- Follow all installation and usage instructions to avoid accidents or injuries.
- Keep this product out of reach of children to prevent unintended use or accidents.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not exceed the weight limit specified by the manufacturer for the gear being attached.
- Avoid using the Strap Post Square in extreme weather conditions that may affect its performance.
- Ensure that all connections are secure before using the gear.
- If you notice any wear or damage to the Strap Post Square, discontinue use immediately and replace it.
- Be cautious when using the Strap Post Square with sharp or heavy items that could cause injury.

## Instructions for Installation and Usage

### 1. Installation:

- Identify the 1inch webbing on your gear.
- Slide the Strap Post Square onto the webbing until it is securely positioned.
- Ensure that the Strap Post Square is oriented correctly for the intended use.
- If applicable, connect the Strap Post Square to the desired attachment point on your gear (e.g., Clamp Lock, Slide Lock, Camera Lock, or Grip On systems).

### 2. Usage:

- Before use, doublecheck that the Strap Post Square is firmly attached to the webbing.
- Load your gear as needed, ensuring that the weight is evenly distributed.
- Regularly check the connection during use, especially if you are engaging in activities that may cause movement or stress on the attachment.

## Disposal Instructions

- Dispose of the Strap Post Square in accordance with local waste disposal regulations.
- If the product is damaged or no longer needed, please recycle it where facilities exist.
- Do not dispose of the Strap Post Square in general household waste if it is still functional; consider donating it to a local organization.

## Contact Information for Further Support

For any questions or concerns regarding the Strap Post Square, please consult the manufacturer's website or

customer support resources for assistance.

Thank you for your attention to these safety guidelines. Enjoy using your Strap Post Square with confidence!
