

# Round Post MPA Matrix Pro

[Shooting Accessories](#) > [Duty Gear](#)

The Round Post Matrix Pro (RPM) is a versatile mounting solution designed for the MPA Matrix Pro rifle stock or any gear equipped with M-Lok slots. This innovative accessory ensures seamless integration with the Lock and Grip-On families, enhancing your equipment's functionality and usability.

1. For MPA Matrix Pro Forends: Specifically designed to mount on the MPA Matrix Pro forend, providing ample clearance for its wide-body design.
2. Universal Compatibility: Attaches to M-Lok rails, making it compatible with a wide range of gear featuring M-Lok slots or similar hole spacing.
3. Hardware Included: Comes with all necessary M-Lok hardware for easy installation. Multi-Platform Connectivity: Connects to the Lock family and Grip-On family for enhanced adaptability and utility.

# Round Post MPA Matrix Pro Safety Instruction Guide

## Introduction

Thank you for choosing the Round Post MPA Matrix Pro (RPM). This versatile mounting solution is designed to enhance the functionality of your MPA Matrix Pro rifle stock and other gear equipped with MLoc slots. To ensure your safety and the optimal use of this product, please read and follow the safety instructions provided in this guide.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this guide.
- Always inspect the product for any visible damage or defects before use.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Report any unsafe conditions or accidents involving this product to the appropriate authorities.
- Regularly check for recall updates related to this product on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Hazard Identification:** The RPM is not compatible with Matrix side rails. Attempting to use it with incompatible rails may result in equipment failure or personal injury.
- **Installation Safety:** Ensure that all MLoc hardware is securely fastened during installation to prevent accidental detachment.
- **Handling:** Use caution when handling the product, especially during installation and removal. Sharp edges may pose a risk of cuts or abrasions.
- **Weight Limitations:** Be aware of the weight limitations of the MLoc slots to avoid overloading and potential failure of the mounting solution.

## Instructions for Installation and Usage

1. **Preparation:** Gather all necessary tools and the included MLoc hardware.
2. **Installation Steps:**
  - Identify the MLoc slots on your MPA Matrix Pro forend or compatible gear.
  - Align the RPM with the MLoc slots, ensuring proper orientation.
  - Insert the MLoc hardware through the mounting holes of the RPM and into the MLoc slots.
  - Tighten the hardware securely using a suitable tool, ensuring that the RPM is firmly attached.
3. **Usage:**
  - Once installed, ensure that the RPM is stable and secure before attaching any additional equipment.
  - Regularly check the RPM for tightness and stability during use.
  - If you notice any signs of wear or instability, discontinue use immediately and inspect the product.

## Disposal Instructions

When the Round Post MPA Matrix Pro is no longer needed or has reached the end of its life, please dispose of it responsibly. Follow local regulations for the disposal of plastic and metal components. Do not dispose of the product in regular household waste.

## Contact Information for Further Support

For any safety inquiries or additional support regarding the Round Post MPA Matrix Pro, please contact your local retailer or the manufacturer directly. Ensure to have your product information available for reference.

Thank you for choosing the Round Post MPA Matrix Pro. Your safety and satisfaction are our priority.
