Round Post MPA Matrix w/ Side Rails

The Round Post Matrix with Side Rails (RPM) is a specialized mounting solution for the MPA Matrix rifle stock with Competition Side Rails or other gear featuring M-Lok slots. It provides seamless compatibility with the Lock and Grip-On families, enhancing your equipment's functionality.

1. Designed for MPA Matrix with Competition Side Rails: Specifically engineered to mount on the forend, providing adequate clearance for its wide-body design.
2. Universal Compatibility: Attaches to M-Lok rails, making it suitable for any gear with M-Lok slots or similar hole spacing.
3. Complete Installation Kit: Includes all necessary M-Lok hardware for quick and secure installation.
4. Multi-Platform Connectivity: Works seamlessly with the Lock family and Grip-On family for versatile use.

Important Notes: Not Compatible with Matrix Pro Side Rails: The RPM does not fit the Matrix Pro Side Rails. Upgrade your gear with the Round Post Matrix with Side Rails—reliable, adaptable, and designed for precision performance.

Round Post MPA Matrix w/ Side Rails Safety Instructions

Introduction

Thank you for choosing the Round Post MPA Matrix with Side Rails (RPM). This product is designed to enhance the functionality of your MPA Matrix rifle stock with Competition Side Rails or other gear featuring MLok slots. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Product Safety:
    - Always ensure safe use of the RPM in accordance with the guidelines provided.
    - Be aware of risks associated with mounting solutions and accessories not addressed by other EU laws.
- Enhanced Recalls:
    - Stay informed about any recalls or safety notices regarding this product.
    - If a recall is issued, follow the instructions provided for returning or disposing of the product.
- Online Shopping:
    - When purchasing online, ensure that the retailer complies with safety requirements.
- Special Consumer Focus:
    - Extra care should be taken when the product is used by or around vulnerable groups, such as children.
- EU Contact Point:
    - For safety inquiries, please refer to the designated EU contact point for this product.
- Rapid Alerts:
    - Follow updates on unsafe products through the EU's Safety Gate system.

Specific Safety Precautions for Use

- Ensure the RPM is compatible with your equipment before installation.
- Do not use the RPM with Matrix Pro Side Rails, as it is not designed for this application.
- Regularly inspect the mounting solution for any signs of wear or damage before each use.
- Avoid exceeding the weight limits specified for the RPM to ensure safe operation.
- Always mount the RPM securely to prevent accidents during use.
- Keep the installation area clear of obstructions to avoid injury during the installation process.

Instructions for Installation and Usage

1. **Preparation:**

    - Gather all necessary tools and the installation kit included with your RPM.
    - Ensure the mounting surface is clean and free of debris.

2. **Installation Steps:**

    - Align the RPM with the MLok slots on your forend.
    - Using the provided MLok hardware, secure the RPM in place. Ensure all screws are tightened adequately.
    - Verify that the RPM is firmly attached and does not move when pulled.

3. **Usage:**

- After installation, check the RPM for stability before attaching any additional gear.
- Attach compatible gear to the RPM as needed, ensuring it is securely fastened.
- Regularly check the RPM during use to ensure that it remains secure and functional.

Disposal Instructions

- Dispose of the RPM in accordance with local regulations.
- If the product is damaged or no longer functional, do not attempt to repair it; instead, follow proper disposal methods for electronic waste.
- Ensure that any components that could pose a risk to children or pets are disposed of safely.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the Round Post MPA Matrix with Side Rails, please refer to the designated EU contact point for this product.

By following these safety instructions, you can ensure a safe and effective use of the Round Post MPA Matrix with Side Rails. Thank you for your attention to safety and for choosing our product.
