

Maintenance Mat

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Bench Mats](#)

The **Maintenance Mat - Pistol** is designed for serious firearm care — whether you're cleaning pistols, revolvers, or other compact firearms. Built from durable PVC and featuring practical upgrades, it keeps your tools organized and your workspace clean, all while proudly displaying the **Eurasian Jay**, the mascot of **German Tactical Systems**.

Hexagon Surface = Less Mess

The raised **hexagon-textured surface** lifts your firearm slightly off the mat, so it doesn't sit in oil, grease, or solvent puddles. That means a cleaner gun, less mess, and no soaked grips or frames.

AVAILABLE

Holders for Tools and Pins

Integrated **slots for punch pins, tools, and small parts** keep everything in place while you work. No more rolling parts or cluttered benches - just a smarter way to clean and maintain your firearm.

Tough PVC That Handles the Job

Made from durable, chemical-resistant **PVC**, this mat stands up to solvents and scrubbing. Easy to wipe clean and ready for regular use - at home or at the range.

Clean. Organized. Built to Last.

Fits pistols, revolvers, and other short firearms

Hexagon surface keeps oil and solvent away from your gun

Integrated holders for tools, pins, and parts

Made from **durable PVC** - chemical-resistant and easy to clean

Maintenance Mat Safety Instructions

Introduction

Thank you for choosing the Maintenance Mat – Pistol by German Tactical Systems. This mat is designed to enhance your firearm maintenance experience, ensuring safety and cleanliness while caring for your firearms. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Ensure the Maintenance Mat is used in a wellventilated area.
- Always handle firearms with care and follow proper safety protocols.
- Keep the mat away from children and pets.
- Regularly inspect the mat for any signs of wear or damage.
- Avoid using the mat on surfaces that may be easily damaged by solvents or oils.
- Do not use the mat if it shows signs of deterioration.
- Always follow the manufacturer's instructions for cleaning and maintaining your firearms.

Specific Safety Precautions for Use

- **Avoid Contact with Chemicals:** The mat is made from durable PVC, but excessive exposure to harsh chemicals can damage it. Always check the compatibility of cleaning solvents with PVC before use.
- **Prevent Slips and Falls:** Ensure the mat is placed on a stable surface to prevent slipping while working.
- **Keep Tools Organized:** Use the integrated slots for punch pins and tools to avoid clutter and potential accidents.
- **Avoid Overloading:** Do not place excessive weight or items on the mat that could cause it to tear or become damaged.
- **Monitor Temperature:** Do not expose the mat to extreme temperatures, as this may affect its integrity.

Instructions for Installation and Usage

1. **Unpacking:** Carefully remove the Maintenance Mat from its packaging. Inspect for any visible damage.
2. **Placement:** Lay the mat flat on a stable, clean surface. Ensure it is free from debris.
3. **Organizing Tools:** Utilize the integrated slots for tools, pins, and small parts to keep your workspace organized.
4. **Using the Mat:**
 - Place your firearm on the hexagontextured surface to prevent it from coming into contact with oils or solvents.
 - Use the mat as a workspace for cleaning and maintaining your firearm.
5. **Cleaning the Mat:**
 - Wipe the mat with a damp cloth after each use to remove any residues.
 - For thorough cleaning, use mild soap and water. Avoid abrasive cleaners that may damage the surface.
6. **Storage:** When not in use, store the mat in a cool, dry place away from direct sunlight.

Disposal Instructions

- The Maintenance Mat is made from PVC, which is recyclable. Check local recycling guidelines for proper disposal methods.
- If the mat is damaged beyond use, dispose of it according to local waste management regulations.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the Maintenance Mat, please refer to the contact details provided on the product packaging or visit the manufacturer's website.

Conclusion

By following these safety instructions, you can ensure a safe and efficient experience while using the Maintenance Mat – Pistol. Always prioritize safety and care when handling firearms and related equipment. Thank you for your attention to these guidelines.
