Oryx Accessories Side Panels with MLOK Safety Instruction Guide

Introduction

Thank you for choosing the Oryx Accessories Side Panels with MLOK. This product is designed to enhance your MDT Oryx Chassis System by providing a sleek, functional, and customizable experience. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

To ensure the safe use of the Oryx Accessories Side Panels with MLOK, please follow these important safety guidelines:

- Always adhere to the manufacturer's instructions and guidelines for installation and usage.
- Inspect the product for any visible damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Ensure that all accessories mounted on the side panels are securely attached to prevent accidents.
- Regularly check for wear and tear on the panels and accessories to ensure continued safety.
- If you experience any issues with the product, discontinue use and consult a professional.

Specific Safety Precautions for Use

When using the Oryx Accessories Side Panels with MLOK, please observe the following precautions:

- Use only MLOK accessories that are compatible with the panels.
- Do not exceed the weight limit specified for the side panels to maintain balance and stability.
- Avoid using the panels in extreme weather conditions that may affect their performance.
- Ensure that the installation screws are tightened properly before use.
- Be cautious when handling the rifle to prevent accidental discharge or injury.
- Follow all local laws and regulations regarding the use of firearms and accessories.

Instructions for Installation and Usage

To install and use the Oryx Accessories Side Panels with MLOK, please follow these steps:

1. Gather Required Tools:

- Phillips screwdriver
- Compatible MLOK accessories

2. Installation Steps:

- Remove the existing forend installation screws from your MDT Oryx Chassis System.
- Align the side panels with the mounting holes on the forend.
- Secure the side panels using the provided screws. Ensure they are tightened firmly but do not overtighten.
- Attach your MLOK accessories to the side panels as desired, ensuring they are securely fastened.

3. Usage:

- Once installed, the side panels can be used to mount various MLOK accessories, enhancing the versatility of your chassis system.
- Regularly check the tightness of the screws and the stability of the mounted accessories.

Disposal Instructions

When it comes time to dispose of the Oryx Accessories Side Panels with MLOK, please follow these guidelines:

- Dispose of the product in accordance with local waste management regulations.
- If the product is no longer usable, consider recycling parts if possible.
- Do not dispose of the product in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the Oryx Accessories Side Panels with MLOK, please refer to the manufacturer's customer support resources.

Thank you for your attention to these safety instructions. Enjoy the enhanced performance and customization that the Oryx Accessories Side Panels with MLOK provide!
