

# ORYX BIPOD Sling Swivel Stud Attachment - Oryx Bipod - Sling Swivel Stud Attachment - GRY

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipods](#)

Constructed from a premium polymer blend, the ORYX Bipod legs deliver rigidity, strength, and stability. Effortless deployment and adjustment are second nature, thanks to its seamless one-handed design. Its ergonomic shape feels like a natural extension of your hand. Taking cues from soccer cleats and tire treads, its durable rubber feet ensure reliable traction on all surfaces. The ORYX Bipod: where excellence intersects with affordability and enduring craftsmanship.

# ORYX BIPOD Sling Swivel Stud Attachment Safety Instructions

## Introduction

Thank you for choosing the ORYX BIPOD Sling Swivel Stud Attachment. This guide provides essential safety instructions to ensure safe and effective use of your product. Please read this manual carefully before using the bipod to maximize safety and performance.

## General Safety Guidelines

- Ensure the bipod is assembled correctly before use.
- Regularly inspect the bipod for any signs of wear or damage.
- Do not exceed the weight limit specified for the bipod.
- Keep the bipod away from children and vulnerable individuals.
- Avoid using the bipod in extreme weather conditions or on unstable surfaces.
- Report any unsafe conditions or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- **Hazard Awareness:** Be aware of your surroundings when using the bipod. Ensure that the area is clear of obstacles and potential hazards.
- **Weight Limit:** Do not exceed the maximum weight capacity of the bipod to prevent structural failure.
- **Surface Stability:** Always use the bipod on stable and level surfaces to maintain balance and prevent tipping.
- **Child Safety:** The product is not intended for use by children. Keep it out of reach of minors.
- **Proper Handling:** Use the bipod with both hands when adjusting its height or position to avoid injury.

## Instructions for Installation and Usage

### 1. Unboxing and Inspection:

- Carefully remove the bipod from the packaging.
- Inspect all parts for any signs of damage or defects.

### 2. Assembly:

- Follow the manufacturer's instructions to assemble the bipod.
- Ensure that all components are securely fastened.

### 3. Attaching to Firearm:

- Ensure the firearm is unloaded before attaching the bipod.
- Align the sling swivel stud with the bipod mount and secure it according to the instructions provided.

### 4. Adjusting Height:

- Use the onehanded design to adjust the bipod legs to your desired height.
- Ensure that the legs are locked in place before use.

### 5. Using the Bipod:

- Position the bipod on a stable surface.

- Ensure that the rubber feet are making contact with the ground for maximum traction.
- Maintain a firm grip on the firearm while using the bipod for stability.

#### **6. Stowing the Bipod:**

- When not in use, collapse the bipod legs and store it in a safe place.
- Avoid placing heavy objects on top of the bipod during storage.

## **Disposal Instructions**

- Dispose of the bipod in accordance with local regulations.
- If the bipod is damaged beyond repair, ensure that it is disposed of in an environmentally friendly manner.
- Recycle materials where possible, particularly the polymer components.

## **Contact Information for Further Support**

For further assistance or inquiries regarding the safety and use of the ORYX BIPOD Sling Swivel Stud Attachment, please contact the authorized retailer or manufacturer. Ensure you have the product details ready for a more efficient service.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your ORYX BIPOD Sling Swivel Stud Attachment. Thank you for your attention to these important guidelines.
