

ACC Premier GEN 2 System - Howa 1500 - ACC Premier GEN 2 System Howa 1500 SA RH BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The MDT ACC Premier GEN2 Chassis System is the all-round refresh to the industry-defining ACC Premier, pushing precision and performance to the next level. Designed with feedback from elite shooters, it incorporates innovations from the ACC Elite, such as a taller integrated barricade stop for enhanced stability, a thicker and more rigid forend for improved durability, and pre-drilled holes along the top of the forend to accommodate MDT's NV and Control Bridge system.

Rimfire competition is booming, so MDT made the forend a compact 15" to perfectly fit a wider range of barrel sizes. Whether you're dominating steel matches or PRS, this chassis system is your ultimate advantage. Engineered for maximum customization, it lets you fine-tune your competition rifle's balance with a variety of compatible weights. The result? Faster target acquisition, smoother follow-up shots, and unparalleled control.

Upgrade to the MDT ACC Premier GEN2 and ensure you're equipped to excel in every match. Precision, stability, and adaptability—this chassis delivers it all.

Safety Instruction Guide for the ACC Premier GEN 2 System Howa 1500

Introduction

Thank you for choosing the ACC Premier GEN 2 System for your Howa 1500 rifle. This guide provides essential safety instructions to ensure the safe and effective use of your chassis system. Please read this manual carefully before installation and use.

General Safety Guidelines

- Always treat your firearm with respect and handle it as if it is loaded.
- Ensure that the chassis system is installed correctly to avoid accidents.
- Regularly inspect the chassis for any signs of wear or damage.
- Use only compatible components recommended by the manufacturer.
- Keep the chassis and all accessories out of reach of children and unauthorized users.
- Be aware of your surroundings when using the rifle to ensure safety for yourself and others.
- Follow all local laws and regulations regarding firearm use and storage.

Specific Safety Precautions for Use

- Ensure that the rifle is unloaded before installing or adjusting the chassis system.
- Use protective eyewear when shooting to guard against potential debris.
- Do not modify the chassis system in any way that could compromise its integrity or safety.
- Avoid using the chassis system in adverse weather conditions that could affect performance.
- Always ensure that the area is clear of obstacles and people before firing.

Instructions for Installation and Usage

Installation

1. Prepare Your Workspace

- Work in a clean, dry area.
- Gather all necessary tools and components.

2. Remove the Existing Stock

- Ensure the rifle is unloaded.
- Follow the manufacturer's instructions to safely remove the existing stock.

3. Install the Chassis System

- Align the Howa 1500 action with the ACC Premier GEN 2 chassis.
- Secure the action using the provided screws, ensuring they are tightened to the manufacturer's specifications.

4. Attach Accessories

- Install any additional components, such as the NV and Control Bridge system, as per the manufacturer's guidelines.

5. Final Inspection

- Check that all screws and components are securely fastened.
- Ensure that the chassis is properly aligned and functioning as intended.

Usage

- Familiarize yourself with the features of the chassis system before use.
- Adjust the balance and weight according to your preferences using compatible weights.
- Practice shooting in a safe environment to become accustomed to the new chassis system.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- When disposing of the chassis system, contact your local waste management facility for guidance on proper disposal methods.
- Ensure that all components are disposed of in a manner that prevents harm to the environment.

Contact Information for Further Support

For any questions or concerns regarding the ACC Premier GEN 2 System, please refer to the manufacturer's website or customer support resources.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your ACC Premier GEN 2 System. Always prioritize safety and responsibility when handling firearms.
