

Lead Sled DFT 3

[Reloading](#) > [Bullet Casting](#) > [Lead Alloy](#)

Lock in your target and get the job done fast with the Caldwell Lead Sled DFT 3. Designed for precision and stability, this shooting rest provides a rock-solid platform, reducing recoil and improving accuracy.

Whether you're sighting in, testing loads, or making adjustments, the Lead Sled DFT 3 ensures a secure hold, keeping your focus on the shot. Engineered with top-quality materials, it delivers durability and performance you can trust. Caldwell knows what shooters need, and this adjustable, universal-fit shooting rest is built to exceed expectations.

Lead Sled DFT 3 Safety Instruction Guide

Introduction

Thank you for choosing the Caldwell Lead Sled DFT 3. This shooting rest is designed to enhance your shooting experience by providing stability and precision. To ensure safe use and optimal performance, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always use the Lead Sled DFT 3 in a controlled environment, such as a shooting range.
- Ensure that the shooting area is free from obstructions and bystanders.
- Always treat firearms as if they are loaded.
- Familiarize yourself with the firearm's manual and safety features before using the Lead Sled DFT 3.
- Keep the Lead Sled DFT 3 out of reach of children when not in use.
- Regularly inspect the Lead Sled DFT 3 for any signs of wear or damage before each use.

Specific Safety Precautions for Use

- Ensure that the Lead Sled DFT 3 is set up on a stable surface to prevent tipping or sliding during use.
- Always secure your firearm properly in the Lead Sled DFT 3 before taking any shots.
- Do not exceed the weight limit specified for the Lead Sled DFT 3 to avoid compromising stability.
- Avoid placing your hands or any body parts in front of the firearm when it is mounted on the Lead Sled DFT 3.
- Do not attempt to adjust the Lead Sled DFT 3 while a firearm is mounted.

Instructions for Installation and Usage

1. Setup:

- Place the Lead Sled DFT 3 on a flat, stable surface.
- Adjust the front and rear support to accommodate your firearm's length.
- Ensure the Lead Sled DFT 3 is locked in place before proceeding.

2. Mounting the Firearm:

- Carefully place your firearm in the designated support areas of the Lead Sled DFT 3.
- Secure the firearm using the adjustable straps provided.
- Doublecheck that the firearm is stable and secure before proceeding.

3. Using the Lead Sled DFT 3:

- Position yourself behind the Lead Sled DFT 3, ensuring a clear line of sight to your target.
- Always keep your finger off the trigger until you are ready to shoot.
- Take your shot, maintaining a firm grip on the Lead Sled DFT 3 for stability.

4. PostUse:

- Once you have finished shooting, safely remove the firearm from the Lead Sled DFT 3.
- Store the Lead Sled DFT 3 in a safe location, away from children and unauthorized users.

Disposal Instructions

- When the Lead Sled DFT 3 reaches the end of its life cycle, dispose of it in accordance with local

regulations.

- Do not dispose of the Lead Sled DFT 3 in regular household waste.
- Check with local waste management authorities for proper disposal methods for materials used in the Lead Sled DFT 3.

Contact Information for Further Support

For any questions or safety inquiries regarding the Lead Sled DFT 3, please refer to the manufacturer's contact information provided in the product packaging or visit the manufacturer's website. Ensure you have the product model and any relevant details ready for assistance.

By following these safety instructions, you can ensure a safe and enjoyable shooting experience with the Caldwell Lead Sled DFT 3. Always prioritize safety and be aware of your surroundings while using this product.
