

# X-10 .30 Caliber Conversion Kit

[Reloading](#) > [Reloading Presses](#) > [Progressive Presses](#)

At its core, the X-10 features rigid steel construction, multiple ball bearings, and a gear-driven rotating shell plate, ensuring rock-solid performance while virtually eliminating powder spillage and bullet tipping.

Packed with innovative features, the X-10 includes:

1. Dual de-capping stations to prevent primer drawback
2. In-line primer pocket swaging for both small and large primers
3. Compatibility with powder check and case trimming dies

The case-actuated powder measure features a positive reset, preventing sticking issues that could lead to squib loads. Caliber changes? No problem. The X-10's smart design allows for quick and easy tool head and shell plate swaps, supporting everything from 9mm to .308 cartridges.

For enhanced usability, the X-10 is equipped with:

4. Ergonomic roller handle for smooth operation
5. Integrated LED light for improved visibility
6. Spring-loaded case locator buttons for effortless one-handed case feeding

## Attributes

- Name: [X-10 .30 Caliber Conversion Kit](#)
- Manufacturer: [FRANKFORD ARSENAL](#)
- Product no.: EU2014061
- Mfr. No.: 1194195

# X10 .30 Caliber Conversion Kit Safety Instructions

## Introduction

Thank you for purchasing the X10 .30 Caliber Conversion Kit. This product is designed for safe and efficient use in reloading ammunition. Please read this safety instruction guide carefully to ensure proper usage and to minimize any risks associated with the operation of this equipment.

## General Safety Guidelines

- Ensure that you are familiar with all safety precautions before using the X10 Conversion Kit.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves.
- Keep the work area clean and organized to prevent accidents.
- Store the kit in a secure location, away from children and unauthorized users.
- Regularly inspect the equipment for any signs of wear or damage before use.
- Follow all local laws and regulations regarding ammunition reloading.

## Specific Safety Precautions for Use

- **Hazard Identification:** Be aware of potential hazards such as:
  - Mechanical injuries from moving parts.
  - Risks of powder spillage leading to fire hazards.
  - Improper handling of primers and powder.
- **Avoiding Hazards:**
  - Do not operate the X10 while fatigued or under the influence of substances that may impair your judgment.
  - Ensure that all tools and components are securely fastened before operation.
  - Never exceed the recommended load limits for any component of the conversion kit.
  - Use only compatible components as specified in the user manual.
- **Age Restrictions:** This product is designed for use by individuals aged 18 and older. Keep out of reach of children.

## Instructions for Installation and Usage

### 1. Preparation:

- Read the user manual thoroughly before beginning installation.
- Gather all necessary tools and components.

### 2. Installation:

- Ensure the work area is clean and free of distractions.
- Follow the steps outlined in the user manual for installing the tool head and shell plate.
- Check that all connections are secure and functioning properly.

### 3. Usage:

- Set up the X10 on a stable surface.
- Load the primers and powder according to the specifications provided in the user manual.
- Begin operation by following the stepbystep instructions for reloading.
- Monitor the operation closely to ensure no powder spillage occurs.
- If any issues arise during operation, stop immediately and assess the situation before continuing.

### 4. PostUse:

- Clean the equipment thoroughly after each use to prevent residue buildup.
- Store the kit in a cool, dry place, away from direct sunlight and moisture.

## **Disposal Instructions**

- Dispose of any unused or expired components, such as primers and powders, in accordance with local hazardous waste regulations.
- Do not throw away the conversion kit in regular household waste. Instead, contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or further support, please refer to the product packaging for contact details. Always ensure you are reaching out to authorized representatives for assistance.

By following these safety instructions, you will help ensure a safe and effective reloading experience with your X10 .30 Caliber Conversion Kit. Thank you for your attention to these important guidelines.
