# Intellidropper 2.0 Powder Dispenser Safety Instruction Guide

## Introduction

Thank you for choosing the Frankford Arsenal Intellidropper 2.0 Powder Dispenser. This guide provides essential safety information and instructions to ensure the safe and effective use of your powder dispenser. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that the Intellidropper 2.0 is used only for its intended purpose as a powder dispenser for reloading ammunition.
- Keep the product out of reach of children and vulnerable individuals.
- Always follow the manufacturer's instructions for setup, use, and maintenance.
- Regularly inspect the dispenser for any signs of damage or wear. Do not use if damaged.
- Use the product in a wellventilated area to avoid inhaling any powder particles.
- Avoid any contact with moisture to prevent damage to electronic components.
- In case of malfunction or unusual behavior, stop using the product immediately and consult the manufacturer.

## Specific Safety Precautions for Use

- Always measure powder charges in a secure and stable environment.
- Avoid overfilling the powder hopper to prevent spillage and ensure accurate measurements.
- Do not attempt to modify or repair the dispenser yourself. Contact the manufacturer for assistance.
- Wear safety glasses and a dust mask when handling powders to protect against inhalation and eye exposure.
- Keep flammable materials away from the dispensing area to minimize fire hazards.
- Ensure that all tools and materials used in conjunction with the dispenser are in good condition and appropriate for the task.

## Instructions for Installation and Usage

### 1. Unboxing and Inspection

- Carefully remove the Intellidropper 2.0 from its packaging.
- Inspect the dispenser for any visible damage or missing parts.

### 2. Setting Up the Dispenser

- Place the dispenser on a flat, stable surface.
- Connect the power adapter to the dispenser and plug it into a suitable electrical outlet.
- Ensure that the area around the dispenser is clear of clutter and flammable materials.

### 3. Loading Powder

- Open the powder hopper lid.
- Carefully pour the desired powder into the hopper, ensuring not to exceed the recommended fill level.
- Close the hopper lid securely.

### 4. Calibrating the Dispenser

- Follow the manufacturer's instructions to calibrate the dispenser for accurate measurements.
- Perform a test dispense to verify that the calibration is correct.

## **5. Using the Dispenser**

- Select the desired charge weight using the control interface.
- Press the dispense button to release the powder charge into your receptacle.
- Always check the weight of the dispensed charge with a reliable scale for accuracy.

## **6. PostUse Care**

- After use, unplug the dispenser and clean any spilled powder from the surface.
- Store the dispenser in a dry, cool place away from moisture.

## **Disposal Instructions**

- Dispose of the Intellidropper 2.0 in accordance with local regulations for electronic waste.
- Remove any batteries (if applicable) and dispose of them separately according to local guidelines.
- Ensure that any remaining powder is disposed of safely and in compliance with local hazardous waste regulations.

## **Contact Information for Further Support**

For further assistance, please refer to the manufacturer's website or contact customer support. Ensure you have your product details ready for efficient service.

By following these guidelines, you can ensure the safe and effective use of your Intellidropper 2.0 Powder Dispenser. Thank you for your attention to safety and compliance with the EU General Product Safety Regulation.
