

# MX PASSIVE w/o Gel Pads

[Shooting Accessories](#) > [Ear & Eye Protection](#) > [Ear Muffs](#)

Precision starts with what you hear. The AXIL MX PASSIVE isn't just hearing protection – it's a competitive edge. Built for serious shooters, this cutting-edge electronic hearing protector enhances your awareness while shielding your ears from dangerous gunfire noise.

Advanced Sound Compression Technology suppresses loud impulse noises while amplifying ambient sounds like speech, range commands, or footsteps. Stay alert, stay connected, and stay in control – even in high-intensity environments.

Thanks to integrated Bluetooth audio, you can stream music, take calls, or connect to range communications wirelessly – all with crystal-clear stereo sound and zero interference.

With a lightweight build, ergonomic fit, and rugged construction, the AXIL MX is engineered for all-day comfort and durability. And with a reaction time under 2 milliseconds, your hearing is protected the moment the shot is fired.

## Key Features:

- Active Sound Compression: Blocks gunfire, enhances surrounding audio
- Bluetooth Connectivity: Stream audio or connect to devices wirelessly
- True Stereo Sound: Clear, natural hearing with directional awareness
- Lightweight & Durable: Built for serious range time and tactical use
- Ergonomic Fit: Comfort that lasts – even under hats or ear muffs
- Ultra-Fast Reaction Time: < 2ms response for uncompromising protection

# Safety Instruction Guide for AXIL MX PASSIVE w/o Gel Pads

## Introduction

Thank you for choosing the AXIL MX PASSIVE electronic hearing protector. This product is designed to enhance your awareness while providing essential protection against harmful gunfire noise. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- **Product Safety:** The AXIL MX PASSIVE is designed for safe use in various environments, including shooting ranges and tactical situations. Always follow the guidelines to minimize risks.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to the AXIL MX PASSIVE. Check the EU Safety Gate platform for updates.
- **Online Shopping:** Ensure that you purchase this product from authorized dealers who comply with safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is kept out of reach of minors.
- **EU Contact Point:** For safety inquiries regarding this product, please refer to the contact information provided by your retailer or manufacturer.
- **Rapid Alerts:** Be aware of safety alerts regarding the AXIL MX PASSIVE through the Safety Gate system.

## Specific Safety Precautions for Use

- **Hearing Protection:** Always wear the AXIL MX PASSIVE when exposed to loud noises to protect your hearing.
- **Bluetooth Connectivity:** Ensure that your Bluetooth devices are compatible and functioning properly before use.
- **Ambient Awareness:** Be mindful of your surroundings and ensure that ambient sounds are audible while using the product.
- **Proper Fit:** Adjust the ear muffs for a snug and comfortable fit to maximize protection and sound quality.
- **Avoid Modifications:** Do not alter or modify the product in any way, as this may compromise its safety and effectiveness.

## Instructions for Installation and Usage

1. **Unboxing:** Carefully remove the AXIL MX PASSIVE from its packaging. Inspect the product for any visible damage.
2. **Charging the Device:**
  - Connect the provided charging cable to the device and a power source.
  - Allow the device to charge fully before first use.
3. **Adjusting the Fit:**
  - Place the ear muffs over your ears and adjust the headband for a secure fit.
  - Ensure that the muffs create a proper seal around your ears.
4. **Bluetooth Pairing:**
  - Turn on the Bluetooth function on your device.
  - Follow the instructions in the user manual to pair the AXIL MX PASSIVE with your Bluetooth device.
5. **Using the Product:**
  - Activate the device before entering a loud environment.
  - Monitor the ambient sounds and adjust the volume as needed.
  - Make sure to maintain awareness of your surroundings while using the product.
6. **PostUse Care:**

- After use, turn off the device to conserve battery life.
- Clean the ear muffs with a damp cloth and store them in a dry place.

## Disposal Instructions

- **Environmental Responsibility:** Dispose of the AXIL MX PASSIVE in accordance with local regulations regarding electronic waste.
- **Battery Disposal:** If the device contains a rechargeable battery, ensure that it is disposed of properly at designated battery recycling points.

## Contact Information for Further Support

For any questions or concerns regarding the AXIL MX PASSIVE, please refer to the contact details provided by your retailer or manufacturer.

Thank you for prioritizing safety and performance with the AXIL MX PASSIVE electronic hearing protector. Your awareness and adherence to these guidelines will ensure optimal protection and enjoyment.
