

# XPHERE

[Shooting Accessories](#) > [Ear & Eye Protection](#)

True Wireless Surround Sound Connect multiple XPHERE speakers via Sync Mode to create a fully immersive, wireless surround sound experience ideal for outdoor parties, camping trips, or backyard movie nights.

Built-In Power Bank Not just a speaker – the XPHERE charges your phone or other devices via its integrated USB-A output, keeping your gear powered on the go.

USB-C Fast Charging & Battery Indicator Recharge faster with modern USB-C input and always stay in the loop with a clear LED battery level display.

IP67 Waterproof & Dustproof Designed to handle the elements – the XPHERE is fully protected against dust and can even be submerged in water, making it perfect for beach days, hikes, or rugged adventures.

Bluetooth 5.3 Wireless Technology Enjoy ultra-stable, low-latency audio with Bluetooth 5.3 for seamless streaming.

Extended Battery Life Up to 20+ hours of continuous playtime – more than enough for all-day excursions or weekend camping trips.

# XPHERE Safety Instruction Guide

## Introduction

Thank you for choosing the XPHERE True Wireless Surround Sound speaker. This guide provides important safety information to ensure the safe use of your speaker. Please read it carefully to understand how to use your product safely and effectively.

## General Safety Guidelines

- **Product Safety:** The XPHERE is designed for safe use. Ensure you follow all guidelines to avoid risks while using the product.
- **Enhanced Recalls:** In the unlikely event of a recall, you will be notified through standardized notices. Keep an eye out for updates.
- **Online Shopping:** When purchasing online, ensure that the seller meets all safety requirements for the XPHERE.
- **Special Consumer Focus:** Extra care should be taken when using the XPHERE around children. Ensure they do not misuse the product.
- **EU Contact Point:** For any safety inquiries, refer to the EU contact point designated for this product.
- **Rapid Alerts:** Stay informed about product safety updates through the EU's Safety Gate system.

## Specific Safety Precautions for Use

- **Water Resistance:** The XPHERE is IP67 rated, meaning it is waterproof and dustproof. However, do not use it in deep water or expose it to highpressure water jets.
- **Charging Precautions:** Use only the provided USBC cable for charging. Avoid using damaged cables or chargers.
- **Battery Safety:** Do not expose the XPHERE to extreme temperatures or direct sunlight for extended periods, as this may damage the battery.
- **Volume Levels:** Avoid listening at high volumes for prolonged periods to prevent hearing damage.
- **Device Compatibility:** Ensure your devices are compatible with Bluetooth 5.3 for optimal performance.

## Instructions for Installation and Usage

1. **Unboxing:** Carefully remove the XPHERE from the packaging and check for any visible damage. If damaged, do not use the product and contact support.
2. **Charging the Device:**
  - Connect the provided USBC cable to the XPHERE.
  - Plug the other end into a power source.
  - Monitor the LED battery level display to know when charging is complete.
3. **Connecting via Bluetooth:**
  - Turn on the XPHERE by pressing the power button.
  - Enable Bluetooth on your device.
  - Select the XPHERE from the list of available devices to connect.
4. **Sync Mode Setup** (for multiple speakers):
  - Ensure all XPHERE speakers are powered on.
  - Follow the instructions in the user manual to enter Sync Mode for pairing multiple speakers.
5. **Using the BuiltIn Power Bank:**
  - Connect your device to the USBA output on the XPHERE to charge your phone or other devices.
6. **Waterproof Use:** For beach days or outdoor activities, ensure that the speaker is properly sealed and avoid submerging it beyond its rated capacity.

## Disposal Instructions

- **End of Life:** When the XPHERE reaches the end of its life, dispose of it responsibly.
- **Recycling:** Follow local regulations for electronic waste disposal. Many communities have designated dropoff locations for electronic devices.
- **Battery Disposal:** Do not dispose of the battery in household waste. Check with local authorities for proper battery disposal methods.

## Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the designated EU contact point for assistance.

By following these guidelines, you can enjoy your XPHERE True Wireless Surround Sound speaker safely and effectively. Thank you for your attention to these important safety instructions.
