

LSS Gen3 Kit SA - MDT Chassis - LSS Gen3 System - Savage 110 - SA - RH - Competitor - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

If you're building a match rifle and want to skip the guesswork, the MDT LSS GEN3 Competition Kit is your solution. It takes the most modular rifle chassis system on the market and tunes it for one thing: winning competitions.

No part picking. No mismatched accessories. Just a rock-solid, competition-ready rifle foundation—straight out of the box. Every component in this kit is hand-selected to give you the edge in PRS, NRL, and precision rifle matches. It's not just modular—it's optimized.

The flat, wide Competition Forend with an integrated ARCA rail makes running barricades automatic. Lock in your tripod, clamp your bipod, and go. This isn't a compromise. You get the same rock-solid fitment and zero-retention that the GEN3 is known for—with competition-grade parts pre-installed.

Already a beast, yet still fully modular. Swap the grip. Switch the stock. Add weights, bridges, or accessories. Make it yours.

Safety Instruction Guide for LSS Gen3 Kit SA MDT Chassis

Introduction

Thank you for choosing the LSS Gen3 Kit SA MDT Chassis. This product is designed for competitive shooting and offers a modular rifle chassis system that enhances your shooting experience. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always handle firearms with care and respect.
- Ensure that the rifle is unloaded before installation or maintenance.
- Store the rifle and chassis system in a secure location, out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearms and their accessories.
- Regularly inspect the chassis and all components for wear or damage.
- If you experience any issues with the product, discontinue use and seek assistance.

Specific Safety Precautions for Use

- Use only compatible parts and accessories with the LSS Gen3 Kit to prevent malfunctions.
- Always wear appropriate eye and ear protection when using firearms.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not modify the chassis or components in a way that could compromise safety or performance.
- Ensure that any weights or accessories added to the chassis are securely attached to prevent accidents.

Instructions for Installation and Usage

1. Installation:

- Unbox the LSS Gen3 Kit and ensure all components are present.
- Follow the manufacturer's instructions for attaching the chassis to your Savage 110 rifle.
- Use the provided tools to securely fasten all components.
- Verify that the installation is complete and that all parts are functioning correctly before use.

2. Usage:

- Adjust the grip and stock to fit your personal preferences for comfort and control.
- Ensure that the forend is clear of obstructions before using it in a shooting position.
- When using the integrated ARCA rail, make sure all accessories are securely clamped.
- Regularly check the stability of the setup during use and make adjustments as necessary.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and materials.
- If the product is damaged beyond repair, ensure that it is securely disposed of to prevent any potential hazards.

Contact Information for Further Support

For any inquiries or support regarding the LSS Gen3 Kit SA MDT Chassis, please refer to the manufacturer's website or customer service channels.

Thank you for your attention to these safety instructions. Your safety and the safety of those around you is paramount. Enjoy your shooting experience with the LSS Gen3 Kit!
