[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

Need one rifle that can do it all? Start here. The MDT LSS GEN3 Tactical Kit is built around flexibility, reliability, and rugged performance. Whether you need a dependable truck gun, a backcountry bolt rig, or a custom setup for the range, this kit has you covered.

You get the familiar AR-15 feel you know, combined with bolt-action precision you can trust. Fully capable. Fully upgradeable. Ready for anything.

This isn't some lightweight, minimalist build. The Tactical Kit is made to take a beating and keep going—featuring a rock-solid fit, a rigid forend, and durable construction throughout. Built to work. Built to last.

The SCS Buttstock gives you toolless control over length of pull, cheek height, and buttplate position, letting you dial in your setup on the fly. The Tactical Forend comes loaded with M-LOK slots on all five faces, ready for whatever your mission demands—bipod, weights, sling, light, spare rounds, and more.

Tough. Adaptable. Reliable. Whatever you throw at it, the MDT LSS GEN3 Tactical Kit is ready.

# Safety Instruction Guide for LSS Gen3 Kit SA MDT Chassis

## Introduction

Thank you for choosing the LSS Gen3 Kit SA MDT Chassis for your Remington 700 rifle. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before installation and usage.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms with care and follow all local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage before use.
- Store the product in a safe and secure location when not in use.
- Be aware of your surroundings and ensure a safe shooting environment.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when shooting.
- Ensure the rifle is unloaded when installing or adjusting the chassis.
- Do not modify the chassis beyond the manufacturer's specifications.
- Be cautious when using accessories attached to the MLOK slots; ensure they are securely fastened.
- Avoid using the product in extreme weather conditions that may affect performance.
- If you notice any unusual sounds or malfunctions during use, cease operation immediately and inspect the product.

## Instructions for Installation and Usage

### 1. Installation of the Chassis:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Remove the existing stock from your Remington 700 rifle.
- Align the rifle action with the LSS Gen3 chassis.
- Securely fasten all screws and components according to the manufacturer's instructions.

### 2. Adjusting the SCS Buttstock:

- To adjust the length of pull, cheek height, and buttpad position, use the toolless adjustment features.
- Make adjustments while the rifle is pointed in a safe direction.

### 3. Using the Tactical Forend:

- Attach accessories to the MLOK slots as needed.
- Ensure that all accessories are securely attached before use.

### 4. Regular Maintenance:

- Clean the chassis regularly to ensure optimal performance.
- Check all screws and components periodically to ensure they are tight and secure.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding electronic waste and materials.
- Do not dispose of the product in regular household waste.
- Contact your local waste disposal authority for information on proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or support related to the LSS Gen3 Kit SA MDT Chassis, please refer to the product packaging for contact details.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your LSS Gen3 Kit SA MDT Chassis. Always prioritize safety and be aware of your surroundings when using your firearm. Thank you for your attention to these important safety measures.
