[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

Need one rifle that can do it all? Start here. The MDT LSS GEN3 Tactical Kit is built around flexibility, reliability, and rugged performance. Whether you need a dependable truck gun, a backcountry bolt rig, or a custom setup for the range, this kit has you covered.

You get the familiar AR-15 feel you know, combined with bolt-action precision you can trust. Fully capable. Fully upgradeable. Ready for anything.

This isn't some lightweight, minimalist build. The Tactical Kit is made to take a beating and keep going—featuring a rock-solid fit, a rigid forend, and durable construction throughout. Built to work. Built to last.

The SCS Buttstock gives you toolless control over length of pull, cheek height, and buttplate position, letting you dial in your setup on the fly. The Tactical Forend comes loaded with M-LOK slots on all five faces, ready for whatever your mission demands—bipod, weights, sling, light, spare rounds, and more.

Tough. Adaptable. Reliable. Whatever you throw at it, the MDT LSS GEN3 Tactical Kit is ready.

# Safety Instructions for the LSS Gen3 Kit SA MDT Chassis

## Introduction

Thank you for choosing the LSS Gen3 Kit SA MDT Chassis for your Savage 110 rifle. This product is designed for flexibility, reliability, and rugged performance. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that you are of legal age to purchase and use firearms in your jurisdiction.
- Always handle firearms with care and respect. Treat every firearm as if it is loaded.
- Store the LSS Gen3 Kit and your firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the kit and your firearm for any signs of damage or wear.
- Always use appropriate personal protective equipment (PPE) when handling firearms, including eye and ear protection.
- Be aware of your surroundings and ensure that you are in a safe environment when using your firearm.
- Follow all local laws and regulations regarding firearm usage and ownership.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- When adjusting the SCS Buttstock, ensure that your fingers are clear of any moving parts to avoid injury.
- Always check that the rifle is unloaded before making any adjustments to the kit.
- The Tactical Forend is designed to accommodate various accessories. Ensure that all attachments are securely fastened before use.
- Do not exceed the manufacturer's recommendations for weight limits on the Tactical Forend.
- Avoid using the kit in extreme conditions that may compromise its structural integrity.
- If you notice any unusual sounds or performance issues while using the kit, cease use immediately and inspect for damage.

## Instructions for Installation and Usage

### 1. Installation of the LSS Gen3 Kit:

- Begin by ensuring that your Savage 110 rifle is unloaded and pointed in a safe direction.
- Remove the existing stock from your rifle according to the manufacturer's instructions.
- Attach the LSS Gen3 Kit to the action of the rifle, ensuring a secure fit.
- Adjust the SCS Buttstock to your preferred length of pull, cheek height, and buttpad position without tools.
- Ensure that the Tactical Forend is properly aligned and securely attached.

### 2. Usage Instructions:

- Before using the rifle, perform a function check to ensure that all components of the LSS Gen3 Kit are working properly.
- When using the rifle, maintain a proper shooting stance and grip to ensure stability and control.
- Use the MLOK slots on the Tactical Forend to attach any desired accessories, ensuring they are securely fastened.
- After use, clean and maintain the kit according to the manufacturer's guidelines to ensure longevity and performance.

## **Disposal Instructions**

- Dispose of the LSS Gen3 Kit in accordance with local regulations regarding the disposal of metal and plastic materials.
- If the kit is damaged beyond repair, consider recycling the materials where possible.
- Ensure that any firearms components are disposed of safely to prevent unauthorized access.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the LSS Gen3 Kit SA MDT Chassis, please refer to the manufacturer's contact information provided in the product packaging or visit the official website for support resources.

By following these safety instructions, you can ensure a safe and enjoyable experience with your LSS Gen3 Kit SA MDT Chassis. Thank you for your attention to safety.
