

LSS Gen3 Kit SA - MDT Chassis - LSS Gen3 System - Remington 700 - SA - RH - Worker - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The MDT LSS GEN3 Worker Kit is built for those who need reliability, portability, and simplicity—all packed into one rugged, ready-to-go setup. Whether you're hunting hogs, riding the fenceline, or keeping a coyote rig behind the seat, this chassis is always ready for action.

Lightweight. Compact. Easy to run. Toss it in the truck. Strap it to your pack. Set it up for anyone—from beginners to seasoned pros—and it just works.

Built for movement, the Worker Kit is easy to carry and quick to deploy, whether you're covering miles on foot or jumping in and out of a truck.

The short forend with polymer side panels keeps the rifle slim, comfortable, and easy to grip—plus, it's resistant to heat and cold where it matters. The compact CCS buttstock delivers portability without sacrificing ergonomics.

Truck gun. Ranch rifle. Pack build. Youth trainer. First rifle or fifth—it doesn't matter. This is the kind of setup that gets used—and used hard.

You get professional-grade features like AICS mag compatibility, V-block bedding, and M-LOK accessory slots, all in a build that's simple enough for anyone to use. And because it's still an LSS GEN3 chassis at its core, you're never locked in. Upgrade the stock. Swap the grip. Change the forend. Build it your way.

Safety Instruction Guide for LSS Gen3 Kit SA MDT Chassis

Introduction

Thank you for choosing the LSS Gen3 Kit SA MDT Chassis. This guide provides important safety instructions and guidelines to ensure safe and effective use of your product. Please read this guide carefully before using the chassis to understand its features and safety precautions.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always inspect the chassis for any damage before use.
- Keep the chassis out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm safety and usage.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always handle firearms with care and assume they are loaded until verified otherwise.
- Use appropriate eye and ear protection when using firearms.
- Do not use the chassis under extreme weather conditions that may affect its performance.
- Ensure that all components are securely attached before use.
- Avoid placing any part of your body in front of the muzzle when handling the firearm.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not modify the chassis in ways that could compromise safety or performance.

Instructions for Installation and Usage

Installation

1. **Unpack the Kit:** Carefully remove the LSS Gen3 Kit from the packaging, ensuring all components are present.
2. **Check Components:** Verify that all parts match the included list and inspect for any damage.
3. **Attach the Forend:**
 - Align the forend with the chassis.
 - Securely fasten using the provided screws.
4. **Install the Buttstock:**
 - Slide the buttstock into the rear of the chassis.
 - Tighten the attachment screws until secure.
5. **Attach Accessories:**
 - Utilize the MLOK accessory slots for any additional gear.
 - Ensure all accessories are properly fitted and secured.

Usage

1. **Load the Firearm:** Ensure the firearm is properly loaded and secured in the chassis.
2. **Adjust the Buttstock:** Modify the length of pull as necessary for comfort and control.
3. **Grip the Forend:** Use the polymer side panels for a secure grip while aiming.
4. **Transport:** When transporting, ensure the firearm is unloaded and secured within the chassis.
5. **Maintenance:** Regularly clean and maintain the chassis to ensure optimal performance.

Disposal Instructions

- Dispose of the chassis and any components in accordance with local regulations.
- Do not dispose of in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries or further assistance regarding the LSS Gen3 Kit SA MDT Chassis, please refer to the manufacturer's contact details provided in the product packaging or visit the official website for support resources.

By following these safety instructions, you can ensure a safe and enjoyable experience with your LSS Gen3 Kit SA MDT Chassis. Thank you for your attention to these important safety guidelines.
