

LSS Gen3 Kit SA - MDT Chassis - LSS Gen3 System - Remington 700 - SA - RH - Worker - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The MDT LSS GEN3 Worker Kit is built for those who need reliability, portability, and simplicity—all packed into one rugged, ready-to-go setup. Whether you're hunting hogs, riding the fenceline, or keeping a coyote rig behind the seat, this chassis is always ready for action.

Lightweight. Compact. Easy to run. Toss it in the truck. Strap it to your pack. Set it up for anyone—from beginners to seasoned pros—and it just works.

Built for movement, the Worker Kit is easy to carry and quick to deploy, whether you're covering miles on foot or jumping in and out of a truck.

The short forend with polymer side panels keeps the rifle slim, comfortable, and easy to grip—plus, it's resistant to heat and cold where it matters. The compact CCS buttstock delivers portability without sacrificing ergonomics.

Truck gun. Ranch rifle. Pack build. Youth trainer. First rifle or fifth—it doesn't matter. This is the kind of setup that gets used—and used hard.

You get professional-grade features like AICS mag compatibility, V-block bedding, and M-LOK accessory slots, all in a build that's simple enough for anyone to use. And because it's still an LSS GEN3 chassis at its core, you're never locked in. Upgrade the stock. Swap the grip. Change the forend. Build it your way.

Safety Instruction Guide for LSS Gen3 Kit SA MDT Chassis

Introduction

Thank you for choosing the LSS Gen3 Kit SA MDT Chassis for your Remington 700 rifle. This chassis is designed for reliability, portability, and ease of use, making it suitable for a variety of shooting activities. To ensure your safety and the optimal performance of your product, please read this safety instruction guide carefully.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure that the safety is engaged until you are ready to shoot.
- Store the chassis and firearm securely when not in use.
- Regularly inspect the chassis for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Be aware of your surroundings and ensure a safe shooting environment.
- Use appropriate eye and ear protection while shooting.

Specific Safety Precautions for Use

- **Hazard Awareness:** Be mindful of the potential hazards associated with firearms, including accidental discharge and injury.
- **Handling:** Always handle the chassis with care, ensuring that it is not loaded when making adjustments or modifications.
- **Children:** Keep the chassis and any associated firearms out of reach of children and unauthorized users.
- **Environmental Conditions:** Avoid using the chassis in extreme weather conditions that may affect the performance of the firearm.

Instructions for Installation and Usage

Installation

1. Preparation:

- Ensure you have a clean workspace free of distractions.
- Gather necessary tools for installation, including a screwdriver and any other required equipment.

2. Mounting the Chassis:

- Remove the existing stock from your Remington 700 rifle.
- Align the action of your rifle with the chassis.
- Secure the action to the chassis using the provided screws, ensuring they are tightened to the manufacturer's specifications.

3. Attaching Accessories:

- If applicable, attach any accessories using the MLOK slots provided on the chassis.
- Ensure all accessories are securely fastened and do not interfere with the operation of the rifle.

Usage

- **Adjusting the Buttstock:**

- Adjust the CCS buttstock to fit your shoulder for optimal comfort and control.

- **Loading and Unloading:**

- Always follow safe practices when loading and unloading your firearm.
- Ensure the firearm is pointed in a safe direction during these processes.

- **Transporting:**

- When transporting the rifle with the chassis, ensure it is securely stored in a case or safe.
- Avoid exposing the chassis and firearm to extreme temperatures or moisture.

Disposal Instructions

- Dispose of the chassis in accordance with local regulations regarding metal and plastic waste.
- Ensure that any firearm components are disposed of safely and securely to prevent unauthorized access.

Contact Information for Further Support

For any inquiries regarding the safety, installation, or usage of the LSS Gen3 Kit SA MDT Chassis, please refer to the manufacturer's website or contact their customer service directly.

Note: Always stay informed about product recalls or safety alerts through the EU's Safety Gate platform. If you encounter any unsafe products or incidents, report them to the appropriate authorities.

Thank you for your attention to these safety instructions. Enjoy using your LSS Gen3 Kit SA MDT Chassis responsibly and safely.
