

# LSS Gen3 Kit SA - MDT Chassis - LSS Gen3 System - Savage 110 - SA - RH - Worker - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The MDT LSS GEN3 Worker Kit is built for those who need reliability, portability, and simplicity—all packed into one rugged, ready-to-go setup. Whether you're hunting hogs, riding the fenceline, or keeping a coyote rig behind the seat, this chassis is always ready for action.

Lightweight. Compact. Easy to run. Toss it in the truck. Strap it to your pack. Set it up for anyone—from beginners to seasoned pros—and it just works.

Built for movement, the Worker Kit is easy to carry and quick to deploy, whether you're covering miles on foot or jumping in and out of a truck.

The short forend with polymer side panels keeps the rifle slim, comfortable, and easy to grip—plus, it's resistant to heat and cold where it matters. The compact CCS buttstock delivers portability without sacrificing ergonomics.

Truck gun. Ranch rifle. Pack build. Youth trainer. First rifle or fifth—it doesn't matter. This is the kind of setup that gets used—and used hard.

You get professional-grade features like AICS mag compatibility, V-block bedding, and M-LOK accessory slots, all in a build that's simple enough for anyone to use. And because it's still an LSS GEN3 chassis at its core, you're never locked in. Upgrade the stock. Swap the grip. Change the forend. Build it your way.

# Safety Instruction Guide for the LSS Gen3 Kit SA MDT Chassis

## Introduction

Thank you for choosing the LSS Gen3 Kit SA MDT Chassis. This guide provides essential safety information to help you use the product safely and effectively. Please read this guide thoroughly before using the chassis.

## General Safety Guidelines

- Ensure that all users are familiar with the safety features of the product.
- Always follow local laws and regulations regarding firearm use and storage.
- Store the chassis in a secure location, away from unauthorized access, especially by children.
- Regularly inspect the chassis for any signs of wear or damage.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always handle the chassis with care to avoid accidental discharge of the firearm.
- Use only compatible components as specified in the product documentation.
- Ensure that the firearm is unloaded when attaching or detaching the chassis.
- Do not modify the chassis beyond the manufacturer's recommendations.
- Always wear appropriate eye and ear protection when using the firearm.
- Be aware of your surroundings and ensure a safe shooting environment.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded.
- Remove the existing stock from the Savage 110.
- Align the LSS Gen3 chassis with the action of the rifle.
- Securely fasten the chassis using the provided screws and tools.
- Attach the buttstock and ensure it is locked in place.

### 2. Usage:

- Adjust the buttstock to fit your shoulder length for optimal comfort.
- Load the firearm only when you are ready to shoot.
- Always point the firearm in a safe direction.
- After use, clean the chassis and store it in a safe location.

## Disposal Instructions

- Dispose of the chassis in accordance with local regulations.
- If the chassis is no longer usable, consider recycling materials where possible.
- Do not dispose of the chassis in regular household waste.

## Contact Information for Further Support

For safety inquiries or further assistance, please reach out to your local authorized dealer or visit the manufacturer's website for support resources.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your LSS Gen3 Kit SA MDT Chassis. Thank you for prioritizing safety in your firearm practices.
