

LSS Gen3 Kit SA - MDT Chassis - LSS Gen3 System - Savage 110 - SA - RH - Worker - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The MDT LSS GEN3 Worker Kit is built for those who need reliability, portability, and simplicity—all packed into one rugged, ready-to-go setup. Whether you're hunting hogs, riding the fenceline, or keeping a coyote rig behind the seat, this chassis is always ready for action.

Lightweight. Compact. Easy to run. Toss it in the truck. Strap it to your pack. Set it up for anyone—from beginners to seasoned pros—and it just works.

Built for movement, the Worker Kit is easy to carry and quick to deploy, whether you're covering miles on foot or jumping in and out of a truck.

The short forend with polymer side panels keeps the rifle slim, comfortable, and easy to grip—plus, it's resistant to heat and cold where it matters. The compact CCS buttstock delivers portability without sacrificing ergonomics.

Truck gun. Ranch rifle. Pack build. Youth trainer. First rifle or fifth—it doesn't matter. This is the kind of setup that gets used—and used hard.

You get professional-grade features like AICS mag compatibility, V-block bedding, and M-LOK accessory slots, all in a build that's simple enough for anyone to use. And because it's still an LSS GEN3 chassis at its core, you're never locked in. Upgrade the stock. Swap the grip. Change the forend. Build it your way.

Safety Instruction Guide for LSS Gen3 Kit SA MDT Chassis

Introduction

Thank you for choosing the LSS Gen3 Kit SA MDT Chassis. This product is designed for reliability, portability, and simplicity, making it suitable for various applications, from hunting to training. To ensure your safety and the effective use of this product, please read and understand the following safety instructions and guidelines.

General Safety Guidelines

- Always handle firearms and related accessories with care and respect.
- Ensure that the product is used in accordance with local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Firearm Compatibility:** Ensure that the LSS Gen3 Kit is compatible with your specific firearm model (Savage 110).
- **Proper Handling:** Always point the firearm in a safe direction and keep your finger off the trigger until ready to shoot.
- **Environmental Conditions:** Avoid using the product in extreme temperatures or adverse weather conditions that could affect performance.
- **Ergonomics:** Use the chassis in a manner that does not cause strain or injury to your body. Adjust the buttstock and grip for comfort.
- **AICS Magazine Compatibility:** Use only AICS-compatible magazines to ensure safe and reliable feeding of ammunition.
- **Accessory Attachments:** When attaching accessories using MLOK slots, ensure they are securely fastened to prevent detachment during use.

Instructions for Installation and Usage

1. **Unboxing:** Carefully remove the LSS Gen3 Kit from its packaging. Inspect all components for damage.
2. **Installation:**
 - Remove the action from your Savage 110 rifle according to the manufacturer's instructions.
 - Attach the action to the LSS Gen3 chassis following the assembly guidelines provided in the product manual.
 - Ensure all screws are tightened securely to avoid any movement during operation.
3. **Adjustments:**
 - Adjust the CCS buttstock for length of pull to suit your shooting style.
 - Ensure that the forend is securely attached and provides a comfortable grip.
4. **Usage:**
 - Practice safe shooting habits at all times.
 - Familiarize yourself with the controls and features of the chassis before taking it to the field.
 - Regularly check that all components remain secure during use.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and metal waste.
- Do not dispose of the product in regular household waste.

- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the LSS Gen3 Kit, please refer to the product packaging for the relevant contact details or visit the manufacturer's website.

Thank you for prioritizing safety. Enjoy your LSS Gen3 Kit and the adventures it brings!
