

LSS Gen3 Kit LA - MDT Chassis - LSS Gen3 System - Remington 700 - LA - 3.715 - RH - Competitor - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

If you're building a match rifle and want to skip the guesswork, the MDT LSS GEN3 Competition Kit is your solution. It takes the most modular rifle chassis system on the market and tunes it for one thing: winning competitions.

No part picking. No mismatched accessories. Just a rock-solid, competition-ready rifle foundation—straight out of the box. Every component in this kit is hand-selected to give you the edge in PRS, NRL, and precision rifle matches. It's not just modular—it's optimized.

The flat, wide Competition Forend with an integrated ARCA rail makes running barricades automatic. Lock in your tripod, clamp your bipod, and go. This isn't a compromise. You get the same rock-solid fitment and zero-retention that the GEN3 is known for—with competition-grade parts pre-installed.

Already a beast, yet still fully modular. Swap the grip. Switch the stock. Add weights, bridges, or accessories. Make it yours.

Safety Instruction Guide for LSS Gen3 Kit LA MDT Chassis

Introduction

Thank you for choosing the LSS Gen3 Kit LA MDT Chassis. This product is designed for competitive shooting and is built with safety and performance in mind. Please read this safety instruction guide carefully to ensure safe and effective use of your new chassis system.

General Safety Guidelines

- Always handle firearms with care and assume they are loaded until verified otherwise.
- Ensure that you are familiar with the laws and regulations regarding firearms in your region.
- Use appropriate protective gear, such as safety glasses and hearing protection, when using the chassis.
- Keep the chassis and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the chassis and all components for any signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities immediately.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the chassis is compatible with your firearm model (Remington 700) before installation.
- Do not exceed the manufacturer's recommended weight limits when adding weights or accessories.
- Always secure your rifle in a stable position before making adjustments or modifications.
- Avoid using the chassis in wet or muddy conditions that may affect its functionality.
- Do not modify the chassis in ways not recommended by the manufacturer, as this may compromise safety and performance.
- Be cautious when swapping parts, ensuring that all components are properly secured before use.

Instructions for Installation and Usage

1. **Unboxing:** Carefully remove the chassis and all included components from the packaging. Inspect for any damage during shipping.
2. **Installation:**
 - Ensure your firearm is unloaded and pointed in a safe direction.
 - Remove the existing stock from your Remington 700 according to the manufacturer's instructions.
 - Align the LSS Gen3 Chassis with the action of your rifle and securely attach it using the provided screws.
 - Ensure that all screws are tightened to the manufacturer's specifications.
3. **Adjustments:**
 - Adjust the stock and grip to your preferred settings. Make sure all adjustments are secure.
 - If applicable, add weights or accessories as desired, ensuring they are compatible and securely attached.
4. **Usage:**
 - Before firing, doublecheck that all components are secure and that the rifle is properly mounted in the chassis.
 - Practice safe shooting techniques and follow all range rules and guidelines.
5. **PostUse Care:**
 - Clean the chassis and firearm components after use to maintain performance and longevity.
 - Store the chassis in a dry, secure location when not in use.

Disposal Instructions

- Dispose of the packaging materials in accordance with local regulations.
- If the chassis or its components reach the end of their life, dispose of them responsibly. Check for local recycling programs or hazardous waste disposal options for any metal or plastic components.

Contact Information for Further Support

For any questions or concerns regarding the LSS Gen3 Kit LA MDT Chassis, please consult the manufacturer's website or customer support for assistance. Ensure you have your product details ready for reference.

Thank you for prioritizing safety and ensuring a positive experience with your LSS Gen3 Kit. Enjoy your competitive shooting!
