

LSS Gen3 Kit LA - MDT Chassis - LSS Gen3 System - Tikka T3X - SA - RH - Worker - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The MDT LSS GEN3 Worker Kit is built for those who need reliability, portability, and simplicity—all packed into one rugged, ready-to-go setup. Whether you're hunting hogs, riding the fenceline, or keeping a coyote rig behind the seat, this chassis is always ready for action.

Lightweight. Compact. Easy to run. Toss it in the truck. Strap it to your pack. Set it up for anyone—from beginners to seasoned pros—and it just works.

Built for movement, the Worker Kit is easy to carry and quick to deploy, whether you're covering miles on foot or jumping in and out of a truck.

The short forend with polymer side panels keeps the rifle slim, comfortable, and easy to grip—plus, it's resistant to heat and cold where it matters. The compact CCS buttstock delivers portability without sacrificing ergonomics.

Truck gun. Ranch rifle. Pack build. Youth trainer. First rifle or fifth—it doesn't matter. This is the kind of setup that gets used—and used hard.

You get professional-grade features like AICS mag compatibility, V-block bedding, and M-LOK accessory slots, all in a build that's simple enough for anyone to use. And because it's still an LSS GEN3 chassis at its core, you're never locked in. Upgrade the stock. Swap the grip. Change the forend. Build it your way.

LSS Gen3 Kit LA MDT Chassis Safety Instruction Guide

Introduction

Thank you for choosing the LSS Gen3 Kit LA MDT Chassis for your Tikka T3X rifle. This guide provides essential safety instructions to ensure the safe use, installation, and disposal of your product. Please read this guide carefully before using the product to maximize safety and performance.

General Safety Guidelines

- Always handle firearms safely and responsibly.
- Ensure the product is compatible with your firearm model before installation.
- Regularly inspect the chassis for any signs of wear or damage.
- Keep the chassis and all accessories out of reach of children.
- Follow all local laws and regulations regarding firearm use and storage.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Before using the chassis, ensure that the rifle is unloaded and the safety is engaged.
- Do not exceed the manufacturer's recommended weight limits for attachments and accessories.
- Use only AICS-compatible magazines with the chassis to avoid malfunctions.
- Avoid exposing the chassis to extreme temperatures for prolonged periods.
- Ensure that all components are securely fastened before use.
- If you notice any unusual sounds or movements during operation, stop using the chassis immediately and inspect it.

Instructions for Installation and Usage

1. Installation:

- Ensure you have all necessary components: chassis, buttstock, forend, and any additional accessories.
- Begin by removing the action from your Tikka T3X rifle according to the manufacturer's instructions.
- Place the action into the chassis, ensuring it fits securely in the Vblock bedding.
- Attach the forend and secure it in place with the provided screws.
- Install the CCS buttstock, ensuring it is adjusted to your preferred length of pull.
- Check all screws and attachments to ensure they are tightened properly.

2. Usage:

- Familiarize yourself with the chassis and its features before taking it to the field.
- Practice should be conducted in a safe environment, following all firearm safety protocols.
- When transporting the rifle, ensure it is stored in a secure case to prevent damage.
- Always be aware of your surroundings and ensure a clear line of sight when aiming or firing.

Disposal Instructions

- Dispose of the chassis and any accessories in accordance with local regulations.
- If the product is damaged beyond repair, consider recycling materials where possible.

- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's website or customer service resources. It is important to have access to reliable information for your safety and satisfaction.

Please ensure you keep this safety instruction guide for future reference. Your safety and the proper use of your LSS Gen3 Kit LA MDT Chassis are of utmost importance.
