

# LSS Gen3 Kit LA - MDT Chassis - LSS Gen3 System - Remington 700 - LA - 3.715 - RH - Worker - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The MDT LSS GEN3 Worker Kit is built for those who need reliability, portability, and simplicity—all packed into one rugged, ready-to-go setup. Whether you're hunting hogs, riding the fenceline, or keeping a coyote rig behind the seat, this chassis is always ready for action.

Lightweight. Compact. Easy to run. Toss it in the truck. Strap it to your pack. Set it up for anyone—from beginners to seasoned pros—and it just works.

Built for movement, the Worker Kit is easy to carry and quick to deploy, whether you're covering miles on foot or jumping in and out of a truck.

The short forend with polymer side panels keeps the rifle slim, comfortable, and easy to grip—plus, it's resistant to heat and cold where it matters. The compact CCS buttstock delivers portability without sacrificing ergonomics.

Truck gun. Ranch rifle. Pack build. Youth trainer. First rifle or fifth—it doesn't matter. This is the kind of setup that gets used—and used hard.

You get professional-grade features like AICS mag compatibility, V-block bedding, and M-LOK accessory slots, all in a build that's simple enough for anyone to use. And because it's still an LSS GEN3 chassis at its core, you're never locked in. Upgrade the stock. Swap the grip. Change the forend. Build it your way.

## Attributes

- Name: [MDT Chassis - LSS Gen3 System - Remington 700 - LA - 3.715 - RH - Worker - BLK](#)

# Safety Instruction Guide for LSS Gen3 Kit LA MDT Chassis

## Introduction

Thank you for choosing the LSS Gen3 Kit LA MDT Chassis for your Remington 700 rifle. This guide provides essential safety information to ensure safe and effective use of your product. Please read this guide carefully before using the chassis to understand its features and safety precautions.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this manual.
- Always handle firearms with care and follow basic firearm safety rules.
- Keep the chassis and all components out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of damage or wear before use.
- In case of any defects or issues, discontinue use immediately and contact a professional for assistance.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using firearms.
- Ensure that the rifle is unloaded before attaching or detaching the chassis.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not modify the chassis or any components in ways not recommended by the manufacturer.
- Follow all local laws and regulations regarding firearm usage and transport.

## Instructions for Installation and Usage

### 1. Installation of the Chassis:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Remove the existing stock from the Remington 700 rifle.
- Align the action of the rifle with the chassis and secure it using the provided screws.
- Ensure that all screws are tightened to the manufacturer's specifications for safety.

### 2. Using the Chassis:

- Adjust the buttstock for a comfortable fit. Make sure it is securely locked in place.
- Familiarize yourself with the controls and features of the chassis, including the magazine well and accessory slots.
- Practice handling the rifle in a safe environment to become accustomed to the chassis's feel and balance.

### 3. Maintenance:

- Regularly clean the chassis and inspect for any signs of wear or damage.
- Apply lubrication as needed to moving parts, following the manufacturer's recommendations.
- Store the chassis in a dry and secure location when not in use.

## Disposal Instructions

- Dispose of the chassis and any components in accordance with local regulations.
- Do not dispose of the chassis in regular household waste.
- Consider recycling options for aluminum components where available.

## **Contact Information for Further Support**

For any inquiries regarding safety or support, please reach out to your local authorized dealer or the manufacturer. Ensure that you have your product details ready for reference.

By following these guidelines, you can ensure a safe and enjoyable experience with your LSS Gen3 Kit LA MDT Chassis. Thank you for your attention to safety and responsible firearm handling.
