Safety Instruction Guide for LSS Gen3 Forend MDT Forend Competition 15" (387mm) BLK

Introduction

Thank you for choosing the LSS Gen3 Competition Forend. This product is designed to enhance your shooting experience with precision engineering and advanced features. To ensure your safety and the performance of the product, please read this safety instruction guide carefully. It provides essential information about safe usage, installation, and maintenance.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this guide.
- Always handle firearms and accessories with care, adhering to all local laws and regulations.
- Regularly inspect the forend and related components for any signs of wear or damage before use.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before attaching or detaching the forend.
- Use the forend only with compatible rifles and accessories as specified by the manufacturer.
- Do not exceed the recommended weight limits for attachments on the forend to avoid compromising safety and performance.
- When using MLOK slots for accessory mounting, ensure that all attachments are securely fastened to prevent them from becoming loose during use.
- Avoid using the forend in extreme weather conditions that may affect its performance or integrity.

Instructions for Installation and Usage

1. Installation:

- Ensure that your firearm is completely unloaded.
- Remove the existing forend from your rifle according to the manufacturer's instructions.
- Align the LSS Gen3 Competition Forend with the chassis.
- Secure the forend using the provided mounting hardware. Ensure all screws are tightened to the manufacturer's specifications.
- Check for stability and ensure there is no movement in the forend once installed.

2. Usage:

- When using the forend, maintain a proper shooting stance and grip.
- Use the integrated ARCA rail for stable mounting of accessories such as bipods or other stabilization tools.
- Utilize the MLOK slots for adding accessories as needed, ensuring they are attached securely.
- After use, inspect the forend for any signs of damage or wear, and clean it according to the maintenance guidelines provided by the manufacturer.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding aluminum and other materials.
- If the product is damaged or no longer usable, contact your local waste management facility for guidance.

on proper disposal methods.

- Do not dispose of the product in household waste.

Contact Information for Further Support

For any inquiries regarding safety, usage, or support related to the LSS Gen3 Competition Forend, please refer to the manufacturer's official website or contact their customer service department. Ensure that you have the product model and any relevant information available for assistance.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the LSS Gen3 Competition Forend!
