MDT Buttstock Skeleton Rifle Stock XTN Interface SRSX Lite Short BLK Safety Instructions

Introduction

Thank you for choosing the MDT SRSX Lite Buttstock. This product is designed to provide shooters with exceptional strength, ergonomics, and precision adjustability while ensuring comfort during use. To ensure your safety and the safe operation of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the MDT SRSX Lite Buttstock is used only by individuals who are familiar with firearms and shooting practices.
- Always handle firearms with care and follow all applicable laws and regulations.
- Regularly inspect the buttstock for any signs of damage or wear before each use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals who may not understand its use or risks.
- Store the buttstock in a safe place when not in use, ensuring it is not accessible to unauthorized persons.
- Report any unsafe conditions or incidents involving the product to the appropriate authorities.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before attaching or detaching the buttstock.
- When adjusting the Length of Pull (LOP) or cheek riser, do so while the firearm is pointed in a safe direction.
- Be cautious when using the integrated bolt cutout feature; ensure the firearm is secure before attempting to remove the bolt.
- When using the QD sling mount, verify that the sling is properly attached to prevent accidental detachment.
- Avoid excessive force when adjusting the cheek riser or buttpad to prevent damage to the product.
- Be aware of your surroundings and ensure a safe shooting environment at all times.

Instructions for Installation and Usage

Installation

1. **Unpack the Buttstock:** Carefully remove the MDT SRSX Lite Buttstock from its packaging.
2. **Inspect the Product:** Check for any visible damage or missing parts. If any issues are found, do not proceed with installation.
3. **Attach to Firearm:**
 - Ensure the firearm is unloaded.
 - Align the buttstock with the XTN interface on your MDT chassis system.
 - Securely fasten the buttstock to the chassis, ensuring it is locked in place.

Usage

1. **Adjusting Length of Pull (LOP):**
 - Use the included spacers to finetune the LOP to your preference.
 - Ensure that all spacers are securely in place after adjustment.
2. **Adjusting Cheek Riser:**

- To adjust the cheek riser, loosen the set screws and move the riser up, down, or fronttoback as needed.
- Retighten the set screws to secure the riser in place.

3. Adjusting Buttpad:

- To customize your LOP further, move the buttpad in and out as necessary.
- Ensure the buttpad is securely fastened after adjustment.

4. Using the QD Sling Mount:

- Attach your sling to the builtin QD mount.
- Ensure the sling is properly secured before use.

Disposal Instructions

- When the MDT SRSX Lite Buttstock has reached the end of its life or is no longer usable, dispose of it in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for recycling options in your area.

Contact Information for Further Support

For any questions or concerns regarding the MDT SRSX Lite Buttstock, please refer to the manufacturer's contact information provided in the product documentation or packaging. It is crucial to address any safety inquiries directly with the manufacturer to ensure compliance with safety standards.

By following these guidelines, you can ensure a safe and enjoyable experience with your MDT SRSX Lite Buttstock. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important safety instructions.
