# JAE Buttpad Polymer Spacer Kit Safety Instructions

## Introduction

Thank you for choosing the JAE Buttpad Polymer Spacer Kit. This product is designed to enhance your shooting experience by allowing you to customize the length of pull (LOP) to fit your individual needs. To ensure safe and effective use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Inspect the product for any signs of damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or product malfunctions to the relevant authorities.
- Stay informed about product recalls and safety updates via the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the spacers are securely attached before using the firearm.
- Do not exceed the recommended length of pull adjustments to maintain control and safety.
- Use the product only with compatible buttstocks to avoid instability.
- Wear appropriate safety gear while using firearms, including eye and ear protection.
- Do not modify the spacers or the buttpad in any way that may affect their performance or safety.

## Instructions for Installation and Usage

### 1. Installation of Spacers:

- Begin with the firearm in a safe and secure position.
- Remove the existing buttpad from the buttstock, following the manufacturer's guidelines.
- Select the desired spacer(s) from the kit to achieve your preferred LOP.
- Align the spacer(s) with the mounting points on the buttstock.
- Securely attach the spacer(s) using the provided screws or fasteners, ensuring they are tightened appropriately.
- Reattach the buttpad over the spacer(s) and ensure it is firmly in place.

### 2. Usage:

- Adjust the length of pull by adding or removing spacers as needed.
- Test the fit and comfort of the firearm before engaging in any shooting activities.
- Make adjustments as necessary to ensure optimal control and comfort.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for plastic and polymer materials.
- Do not dispose of the product in regular household waste. Check for recycling facilities that accept polymer materials.
- Ensure that any discarded parts are kept out of reach of children and pets.

## **Contact Information for Further Support**

For any questions or concerns regarding the JAE Buttpad Polymer Spacer Kit, please contact the manufacturer or refer to the product's official website for additional support and resources.
