# G5 Rail Extended ARCA Safety Instruction Guide

## Introduction

Thank you for choosing the G5 Rail Extended ARCA. This product is designed to enhance the performance of your JAEG5 chassis by providing a reliable and stable mounting point for your bipod. To ensure safe usage and optimal performance, please read this safety instruction guide carefully.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the G5 Rail before each use for any signs of damage or wear.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or product malfunctions to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about any safety alerts.

## Specific Safety Precautions for Use

- Always ensure that the G5 Rail is securely attached to your JAEG5 chassis before use.
- Do not exceed the weight limit of the bipod mounted on the rail.
- Avoid using the rail in extreme weather conditions that may affect its performance.
- Ensure that all mounting hardware is tightened to the manufacturer's specifications.
- Use caution when adjusting or repositioning your bipod while in use to prevent accidents.

## Instructions for Installation and Usage

### Installation

1. **Gather Required Tools:** Before starting, ensure you have the necessary tools for installation, including a suitable wrench.
2. **Position the Rail:** Align the G5 Rail with the designated mounting points on your JAEG5 chassis.
3. **Attach the Rail:**
  - Insert the provided bolts through the mounting holes.
  - Securely tighten the bolts using the wrench, ensuring the rail is firmly attached.
4. **Check Stability:** After installation, check the rail for stability and ensure that it does not move or wobble.

### Usage

1. **Mounting the Bipod:**
  - Attach your bipod to the G5 Rail using the appropriate mounting mechanism.
  - Ensure the bipod is securely fastened before use.
2. **Adjusting the Bipod:**
  - Adjust the bipod to your desired height and angle for optimal shooting position.
  - Ensure all adjustments are locked in place before use.
3. **PostUsage Check:**
  - After use, inspect the G5 Rail and bipod for any signs of wear or damage.
  - Store the rail in a safe and dry environment when not in use.

## Disposal Instructions

- Dispose of the G5 Rail in accordance with local regulations for aluminum products.
- Do not dispose of the product in general waste; consider recycling options.
- Ensure that any packaging materials are disposed of responsibly.

## Contact Information for Further Support

For any questions, concerns, or safety inquiries regarding the G5 Rail Extended ARCA, please refer to the manufacturer's official website or customer support channels. Always ensure you have the product details ready for assistance.

Thank you for your attention to these safety guidelines. By following these instructions, you can ensure a safe and effective experience with your G5 Rail Extended ARCA.
